In Appreciation Of

Douglas W. Burnham

Douglas has spent the majority of his adult life serving his community.

He has been Selectman, School Board Trustee, Volunteer Firefighter and enthusiastic spectator and volunteer at high school events long before his daughters went through school. This year he will have the unique opportunity to attend his 60th class reunion as an alumnus of Boothbay Region High School. He was also a member of local fraternal organizations such as the Lions Club, Masons, Elks and Shriners.

Forty-seven years ago in 1971 he joined the Boothbay Board of Selectmen for three terms. In the '90s he was becoming increasingly concerned with situations at the local schools, so he became a member of the Boothbay-Boothbay Harbor School Board of Trustees where he served for the next fifteen years. While on the School Trustees, it was decided the ball fields needed lights for night games. Douglas was responsible for securing a major donor who, with the help of the community, allowed the completion of the project. Near the end of his stint he was feeling the need to once again help the town in the capacity of a Selectman. Not being able to legally serve both boards simultaneously, he reluctantly resigned from the Trustee position to join Boothbay's Board of Selectmen, from which he retired in 2017. One of his valued strong points was his ability to recall details of town business from 20-30 years past.

Anyone attending Boothbay Region High School sporting events, especially football and basketball games, would describe him as an enthusiastic supporter. One of his greatest joys was being a member of the "chain-gang," running a downs sign along the side of the field. He said, "It was the perfect place to be, no one could block his view of the game."

His time as Selectman and a Trustee was his greatest passion of service. He always said, "If you are going to complain about it, then get off your duff, get involved and do something about it."

In Recognition

Lillian Sherburne

The Town of Boothbay would like to recognize Lillian Sherburne as our Prudential Spirit of Community Award honoree, for her outstanding volunteer contribution to others and our community.

Lillian, recently named as one of our state's top honorees in 2018 The Prudential Spirit of Community Awards Program, exemplifies the value of volunteer community service, and is a role model to other youth as well as adults in our community.

A surprising number of volunteers in communities across the nation are like Lillian, a student contributing time without expectation of reward, other than the gratification that comes from helping others. Some of these young people work in established groups; others seek new and unique ways to help others on their own.

Recognizing these young volunteers and encouraging others to follow their example is the aim of this nationwide program conducted by Prudential Financial and the National Secondary Schools Principals. Its aim is to reach into every community, in all 50 states and the District of Columbia, to identify and honor these unsung heroes locally, state-by-state, and then nationally, in the hopes that their recognition will serve to stimulate others to volunteer service.

Congratulations, Lillian!

Town Manager

Daniel G. Bryer, Jr.

The past year has seen a great deal of change in Boothbay, both large and small scale. In the office we have welcomed Jason Lorrain and Hillary Hyson into the code enforcement department, as well as the return of Lori Colton on a part time basis. Jason and Hillary both have adapted quickly, picking up on both the ordinances as well as the nuances of interacting with the public. I am extremely pleased with what they have accomplished in a short period of time and very certain we are in capable hands moving forward. In our business office we brought Andrea Lowery on board, and I'm beyond pleased with everything she brings to the position, both bright and energetic; her customer service is exemplary. Tracy Hyson and Lynn Maloney have been everything you look for in an office environment: efficient, intelligent, accommodating, and personable. I'm very lucky to be able to work with this group every day and appreciate all of the input they each have to offer.

In public works we have a new addition as well with the hiring of Roman Petersen, a young man who came in with a varied skill set, and fantastic demeanor. I expect he will be a fixture for years to come. Within the department Mike Alley, our foreman, along with Tony Goode, Sam Barter, David Brewer, and Roman had a very challenging year with construction and day-to-day upkeep. They started with a joint project with the Water District, segued into assisting when needed on the Route 27 improvement project, followed with the repaving of Industrial Park and Back River Roads, and then straight to a very rough winter. I would like to commend them on a job very well done.

As always, our fire department, under the steady and capable leadership of Dickie Spofford, has been there when needed responding to both local and interlocal emergencies. We are fortunate to have these men and women to respond when the need arises. The department also hosted the 54th annual Maine State Federation of Firefighters Convention, which was extremely well attended by firefighters from all over the state, and a resounding success. I would like to stress again what a robust department we have as well as a junior program that is consistently bringing in our next generation of first responders.

Last, I would like to welcome two new additions to the Board of Selectmen, Kristina Ford and Mike Tomacelli. They join Chuck Cunningham, Steve Lewis, and Dale Harmon to represent our municipality and are coming up with fresh ideas and new ways to try to engage the public, and I would like to thank them for the opportunity to serve as manager once again.

Business Office

Andrea D. Lowery, Tracey Hodgdon Hyson and Lynn Maloney

The Town Clerk is in charge of maintaining the town's vital records. The office of the clerk runs all State and municipal elections. We license dogs, issue birth and death certificates, and marriage licenses. The business office also collects all tax payments, mooring and permit fees and registers vehicles.

Certified copies of Vitals (births, deaths, marriages) must be applied for with proof of ID. Applications can be found on our website: www.townofboothbay.org. Please allow a 24-hour turnaround.

There were **30 births** recorded in Boothbay for 2017; 13 females and 17 males born to Boothbay residents. Congratulations to all the families with new babies.

There were **42 deaths** recorded for 2017. There were 19 females and 23 males. The youngest was 54, and the oldest was 98 years old.

We issued **16 marriage licenses** during 2017. There were 16 Boothbay residents, and 16 non-residents. People came from Maine, Florida, Massachusetts, Colorado and Texas. To apply for a marriage license you will need to make an appointment to come in to our office with picture identifications. Allow an hour for the process. If married before, you must show *original* divorce papers or a spousal death certificate. You will complete a marriage intentions form, and sign it in the presence of the clerk or deputy.

Boothbay residents licensed a total of **470 dogs** during calendar year 2017. Dog license fees remain at \$11 per dog, or \$6 for spayed/neutered dogs. When licensing at our office, please bring in a current rabies certificate. A spaying or neutering certificate will be required if it is a first time license. If you would prefer to do it online, please see the website below. Betsy Pratt is our Animal Control Officer, and her assistant is David Pratt. She may be reached by calling her cell phone 380-7282.

During Since June 2017 we have issued a total of **13 commercial shellfish licenses**, and **37 recreational licenses**. Our shellfish warden is Nicholas Upham. The Town of Boothbay Harbor is the host town for the Shellfish Ordinance once again.

For **vehicle renewals**, please bring your old registration, current *accurate* mileage and proof of insurance. If you would prefer to do it online, please see the website below. **First time registrations** require additional paperwork and cannot be done after 4:00 pm. All vehicles 1995 or newer require a title.

For **tax payments**, please bring in the stub from your tax bill. Tax bills go out in July, with the first ½ due in August and the second ½ due in February. We *do not* send a second notice.

For MOSES transactions, please bring in last year's registration or the "ME" number from your **boat, ATV or snowmobile** or last year's license or MOSES number for **Hunting or Fishing licenses**.

Online services you may access are:

www.maine.gov/online/bmv/rapid-renewal to renew a vehicle or trailer or to request a reminder notice.

www.maine.gov/online/sporting for hunting/fishing licenses and boat, snowmobile & ATV re-registrations.

www.maine.gov/online/dog_license to register your dog.

During 2017 we had the following **meetings and elections**:

May 1, 2017	Annual Town Meeting
June 13, 2017	State Special Referendum
November 7, 2017	State General/Referendum.

This year we were fortunate to have a new part-time (interim) employee, Hillary Hyson, help us out in the Business Office until a full-time deputy was hired. Hillary moved over to Code Enforcement and Andrea Lowery joined us which has been a blessing.

Lynn Maloney
Town Clerk

In Memory Of

William A. Kautzmann
1928 - 2017

Bill served the Town of Boothbay as a volunteer Addressing Officer from 1995 to 2015 and could always be seen at the Town Office a few times each week.

His position consisted of naming new streets, assigning house numbers, working with the E911 addressing service system and answering inquiries regarding mailing addresses. Bill would always come into the office with a big smile on his face, a couple of tales and some homemade strawberry or peach jam. Between his involvement with the Community Center, gardening and propagation of rhododendrons and holding court at Mama D's, he kept very active in the community. He loved his position here and serving the members of his community and will be missed by all.

We are thankful for Bill and all of his years of service.

Code Enforcement had another busy year in 2017 coordinating with the residents of Boothbay for permit assistance, zoning inquiries, Planning and Appeals Board meetings, as well as concerns regarding the ordinance and the environment. In all instances the department's goals are to assist the public to the greatest extent possible. We like to maintain an open door policy for anyone interested in the Town Ordinance and encourage questions and comments.

Although the following building permit summary is similar to last year, our office has seen a marked increase in new residential construction, but fewer renovated residential properties this year. Commercial building permits have increased, as well as the number of overall demolitions. Interior plumbing permits are down by about half with new and renovated septic systems on the increase. Porches/Decks and Garage permits are reduced by half this year.

Public Works

Samuel Barter, Road Foreman Michael S. Alley, David Brewer, Roman Petersen and Anthony (Tony) Goode.

The winter of 2017 / 2018 is closing with several back-to-back nor'easters making it hard to get our usual jump on spring projects. Looking back at last spring we had our annual park and dock work done and we got right into road construction season. We started with repairs on Back River Road, repairing areas with bad base and changing culverts from Gray Road to the end. Paving and road shoulders were completed in the fall. During that time by alternating crews and equipment we were also able to rebuild and repave the Industrial Park Road. The TIF funds were used for that and it gave our road repair program a real boost. The construction season extended right up to winter prep, then plowing and to where we are now.

During this time we replaced a 2008 GMC 5500 plow truck with a 2018 Dodge 5500 plow truck and also saw a valued employee, Christopher Dighton, leave to pursue a career at Bath Iron Works. He was replaced by Roman Petersen whose abilities and attitude make him a good fit with the rest of the crew.

As always, I would like to take the time to thank my crew, the Town Manager, the Selectmen and especially the townspeople who are a great support to me year after year.

Respectfully,
Mike Alley
Public Works Foreman / Director

Boothbay Fire Department

To the Board of Selectmen, the Town Manager and the Citizens of the Town of Boothbay:

I hereby submit the 2017 Boothbay Fire Department Annual Report for January 1, 2017 through December 31, 2017. The Fire Department responded to 159 calls this year which are summarized on the following page.

We received two grants this year. One was from the Maine Municipal Association for traffic cones and signage, and one was from the McEvoy Foundation for chimney brushes.

We continue to train with our yearly mandatory training. We also had a state pumps class.

The department was awarded the SHAPE award (Safety and Health Award for Public Employers) from the Maine Department of Labor. I would like to thank the firemen for all their hard work to achieve this.

We also hosted the 54th Maine State Federation of Firefighters Convention in September. This was a great success for the entire region. I would like to thank Captain John Long and Fireman Mike Marr for their hard work and making it a success.

I would like to thank all the firemen for their hard work and dedication to the department and also thank the Boothbay Region Miss Fires.

Sincerely,
Richard Spofford
Boothbay Fire Chief

The bulk of work this year consisted of working with the On-Line Mooring Data Base. The system has been updated by the provider and it is even more user friendly. We are now in the fifth year with the On-Line system and it only gets better. I would like to thank all the mooring owners who paid on-line. When paying your mooring fees, please update your inspection information. Remember: mooring fees are due AUGUST 15th every year. The date doesn't change. No exceptions.

The identification of work floats and their owners will continue to be a major focal point in 2018. If you have a work float, please make sure you have the required Army Corps of Engineers permit and that your mooring number is on your float and mooring. Please reduce the risk to other boaters by maintaining your work floats. Make sure the floats are secured properly. Old gear that is no longer serviceable should be disposed of properly, not left to be washed off the work float in a storm.

2017 phone calls and e-mails were typical in nature. Skiffs, dinghys and kayaks missing or adrift top the list. I have stickers at the Town Office for identifying your small craft from the Coast Guard Auxiliary. They have room for your name and contact information. Please come by and pick one up. Several calls were received about vessels tying up too long to the docks at Shipbuilder's Park and Knickercane Bridge Launch Area or gear left for over forty-eight hours. Owners were contacted. I also conducted several wharf and weir hearings for the town.

There are currently 885 registered moorings in the Town of Boothbay:

The Port Committee meets on the first Thursday of the month as needed at the Town Office. I would like to thank Chuck Fuller, Larry Knapp, Win Russell, Rusty Court, Barry Gibson, and Frosty Leonard for all their time and efforts. No meetings in 2017, but they are always ready when needed.

The Town of Boothbay has two Deputy Harbor Masters. The west is covered by Bradley Simmons: Linekin Bay, Ocean Point, Grimes Cove, Little River, Damariscotta River and the Outer Islands. The east is covered by Michael Leighton: Barter's Island, Cross River, Rocky Point, Sawyer's Island and Hodgdon Island. I would like to thank you both for all your time and efforts.

Boothbay Region Ambulance Service (BRAS)

Greetings to the Residents of Boothbay:

On behalf of the Board of Directors, it is my pleasure to report the activities of the Boothbay Region Ambulance Service for fiscal year 2017. This has been an exciting year for us – we moved into our new station in February after a true team effort to bring our facility to reality. With anticipation, we watched a skillful construction crew work through a cold winter to assemble this facility with pride. The improvement to our workflow, response capabilities, and ability to organize in general is amazing! We truly appreciate the generosity of Paul and Giselaïne Coulombe and take inspiration from their motivation to do our best.

As we moved into the station, our new ambulance arrived, marking the return to gasoline-fueled vehicles. The decision to switch is based in large part to follow suit with the ambulance industry. New emission guidelines have created turmoil in ambulance manufacturing and while this is being sorted out, the most economical and efficient ambulance for us right now is a smaller box style unit. While not as roomy as our typical full-sized rigs, this one is less expensive, yet still allows us to fit all the equipment we need. Once again, the fundraising efforts of our great community made this a reality!

I would also like to thank Brenda Blackman for her leadership as our fundraising campaign chair – her enthusiasm, dedication and sincerity are so welcome in a time when we all have so much on our plates. Thank you, Brenda, for your time and great work!

Our innovative, two-year grant from the Doree Taylor Foundation is a unique opportunity to return our staff to clinical sites such as hospital ICUs, emergency departments and many other disciplines. These are opportunities to retrain, pick up a new trick of the trade or even have professional conversations as experienced EMTs with the nurses and physicians in a patient care setting. Our staff has spent time at EMMC's infant ICU, adult ICU, several emergency departments around the state, ORs and with Children's Hospital (Boston) Critical Care transport team. We bring these experiences back to our community with the goal of ongoing professional development.

The Board also wishes to thank the staff of B.R.A.S. for their hard work and desire to be their best. It is a challenging time in healthcare for all of us – increasing mandates and higher licensing demands require extra effort as we work around the clock to meet the needs of our patients.

Most importantly, we thank you for your support and generosity to B.R.A.S. We are fortunate to provide ambulance service to a region that takes so much pride in their community!

Respectfully submitted,
Rob Ham, President
Board of Directors

Boothbay Harbor Memorial Library

In 2017 the Library went through a metamorphosis (not the Kafka kind). In January, the part-time Program Director, Caroline Roberts, left BHML for new ventures. In February, the Executive Director announced his upcoming retirement. In March we hired Meg Donaldson for a revised part-time position as Circulation Coordinator. Tim McFadden retired as Executive Director at the end of April. In May, Joanna Breen was hired as the Executive Director (from Assistant Director). In July, Desiree Scoria (Youth Services Librarian) was promoted to fill a revised role of Assistant Director focused on Non Profit & Community Engagement. Finally, in December, Harolyn Hylton came on board to fill a revised opening for a Public Services/Children's Librarian. By the end of 2017, Boothbay Harbor Memorial Library was staffed with entirely new faces in reconstructed positions.

During all of this organizational change we still managed to have a great time throughout the year at many community events. In April we hosted our first Earth Day Fest, we set up camp in the fire house (it was raining) and enjoyed chalk drawing, crafts, and hands-on learning hosted by Boothbay Sea and Science Center, the Railway Village, Boothbay Region Land Trust, the Botanical Gardens, and Chewonki, and then concluded the day with a rededication of the Rachel Carson monument by the Boothbay Region Garden Club. Through the year we offered 223 public programs (including author talks, storytimes, Minecraft club, movies on the lawn) that were attended by over 3,000 people; and that number doesn't include all of the folks we saw at Windjammers, Books in Boothbay, Fall Foliage Fest, Ghost Train, the Halloween Parade, and Santa's visit (add a couple thousand!).

In the circulation department, we lent out 37,617 items, 3,390 digital items, 154 discount museum passes, and the Orion StarBlast telescope was checked out 11 times. Volunteers coordinated and delivered 707 books and 50 DVDs to our homebound patrons; this a service that folks homebound due to illness or ability may sign up for. In March, the State of Maine switched over the state's communal eBook contract to CloudLibrary (from Overdrive) and we assisted many patrons with switching over to the new platform.

Finally, we replaced and painted the clapboard siding on the original portion of the library, a much needed update due to the flaking paint. We also found ourselves needing to have the granite portico steps reset, as they had begun pushing away from the building. After these improvements the landmark building is looking quite refreshed and we look forward to another season of movies on the lawn!

Boothbay Harbor Region Chamber of Commerce

The mission of the Boothbay Harbor Region Chamber of Commerce is to promote a positive business climate by focusing on advocacy, access and leadership.

The BHRCC is currently served by the Board of Directors: Michael Maxim, President; Benjamin Teel, Vice President; Elaine Jones, Secretary; Neal Jones, Treasurer and Kris Folsom, Sarah Foulger, Douglas Goldhirsch, Sarah Morley, Benjamin Rankin, Ken Rayle, and Nicholas Ullo. Patricia Royall is the Chamber's Executive Director. Kathrine Norcott serves as the Member/Visitor Relations & Events Coordinator and Sara Moore serves as Administrative Coordinator.

In November, the Board of Directors voted to create an Advisory Board for BHRCC. The Advisory Board will help enlarge the community presence of the Chamber and tap into individual expertise not currently on the Board. Advisory Board members include: Bob Drury, St. Andrews Village; Art LeMothe, Attorney; William Royall, Artist; David Boggs, Consultant, Digital Tourism Marketing; Cathy Barter, VP Key Bank; Kris Ward, Volunteer; Wayne Moore, Cabbage Island Clambakes; Dorothy Ferrell, retired lobbyist; Scott Larsen, LBR; and Audrey Miller, Cottage Connections.

The BHRCC continues to be the leading organization in promoting tourism and providing visitor services for the region. The Chamber distributes 85,000 Region Guides and Maps to all the AAA offices throughout New England, as well as Chambers statewide, the Maine Tourism Association, Maine Turnpike Visitor Centers, the Portland Jetport and The Portland Visitors Center. In addition, the BHRCC provides reduced cooperative advertising opportunities in YANKEE, DownEast Magazine and Maine Invites You. The BHRCC website continues to be an extremely active resource of information on our Region with over 500,000 views annually.

There are 284 businesses, organizations and individuals that currently make up the BHRCC membership. A majority of the membership is related to the tourism industry; however, the Chamber continues to cultivate new members in the service industries of the Region through its "Chamber Chat" programs and workshops. Our weekly newsletter "Chamber Connections" continues to be a method of sharing information within our membership; we also have a monthly newsletter which goes out to over 9,000 visitors who have signed up over the past years to receive information on the Region. In order to respond to a larger online visitor base, the Chamber has developed digital media advertising on its website and through Constant Contact. This allows its members to send out target announcements of their events or specials.

This past year, the Chamber continued its success with events such as our Business After Hours (we had 17 in 2017), The Claw Down, Harbor Lights and Boothbay Festival of Lights. The Chamber donated over 300 hours of staff time to help with the 2017 Festival of Lights and Kathrine Norcott, Member/Visitor Coordinator, spearheaded the very successful Shuttle Station. We look forward to continuing to promote this wonderful event.

This year the Chamber spearheaded the creation of a regional education and workforce opportunities committee. The committee meets on a regular basis to address some of the education and workforce skills training issues we have here in our region. The collaboration consists of BRCRC, The Recovery Program, LincolnHealth, Boothbay Harbor Country Club, Lincoln County Planning Commission, Congregational Church, Maine State Economic Development Office, CMMC, and private individuals who want to help with this endeavor. In December the Chamber hosted an Education and Workforce Training breakfast workshop and conducted a local workforce needs assessment survey to gather information.

In collaboration with the Boothbay Railway Village, the Chamber initiated the first annual Boothbay Harbor Region Sculpture Trail to bring public art to the region and support artists through the sales of the juried pieces.

The BHRCC operates a year-round welcome center and administrative offices at 192 Townsend Avenue as well as a seasonal information center on Commercial Street in Boothbay Harbor. The Chamber strives to provide outstanding customer and visitor service to all. We would like to thank all the businesses, organizations, individuals and Town officials whose continued support of the Boothbay Harbor Region Chamber of Commerce help make this region strong.

What is Emergency Management?

Emergency Management is a community-wide effort to incorporate all available resources to mitigate, prepare for, respond to, and recover from all emergencies and disasters.

From left: Clarence Campbell, EMA Regional Director; Larry Omland, EMA Assistant Regional Director; Mike Ciccarelli, EMA Assistant Regional Director

Once again, I would like to take this opportunity to thank the men and women of all of the emergency services and also the ladies' auxiliaries for their dedication and to their families for their patience and understanding while they are away from home helping others and during the many hours of training they are required to do.

I would also like to thank Mike Ciccarelli and Larry Omland as they are the Assistant Directors from Southport and Boothbay Harbor respectfully, you both make this job a lot easier.

On October 30th we had a storm that knocked out power for some residents for 9 days or more. We learned a lot and are going to be meeting with CMP to discuss how we can make improvements.

Some improvements Lincoln EMA has made is in notification; we will be working with Channel 6, local channel 1301, and radio station 102.5 FM to get out information as to what warming centers or shelters are open and when.

As always during any major incident the Boothbay fire station will be open for a warming shelter with Southport and Boothbay Harbor making that determination as the incident evolves.

One thing I would like to touch on: during the October incident we had A LOT of reports of individuals taking it upon themselves to remove trees from the road with power lines down. Please don't. Even though you don't have power, YOU NEVER know if your neighbor who is using a generator is back feeding.

A cat may have 9 lives, but you ONLY HAVE ONE; that one mistake – you don't have any take backs.

As in any emergency and all year long, look out for your neighbors, especially the elderly who live alone.

Be Safe, Use Common Sense,
Clarence Campbell
Boothbay EMA Director

Boothbay Region Historical Society

During 2017, our 50th year, we enjoyed the support of both Boothbay and Boothbay Harbor voters. The funds voted by townspeople helped us to fulfill our purpose of preserving and increasing knowledge about our region's past.

We held regular year-round hours at the museum in Boothbay Harbor on Thursdays through Saturdays, 10 a.m. to 2 p.m. Over 1,000 people came to the museum, about two-thirds of them to buy books and photos or in search of specific information about families, houses, businesses, vessels, and other historical matters. The balance browsed through the six rooms of local artifacts. We sent out two newsletters and two e-updates. We had three speakers and held five open house events. We had a bake sale and a yard sale in addition to our fall sweet treats and cheese sale held at the Boothbay Railway Village and our front yard. In June, we opened our Focus on 50 exhibit highlighting 50 items from our collection to celebrate our 50th anniversary. It will stay up for many more months.

We provided news items and articles on local history to the townspeople and others through the *Boothbay Register*. We are an active research facility, assisting people locally in their search for information on family, houses, vessels, and places. We also carry on correspondence with people all over the country and abroad who have an interest in Boothbay region history, and, when asked, we help the town offices with research.

We have many active volunteers who donated more than 2,000 hours of work this year. Some projects done by volunteers were: preparing exhibits, organizing public events, computer data entry, checking the order of photos and documents, manning the building, making repairs, helping with property clean up, helping with mailings, and documenting new collections and artifacts.

The sources of our income this year were: donations by individuals and the towns; one grant; membership dues; and sales of books, maps, papers, and photographs.

Our holdings of artifacts, collections, and documents increased by four linear feet of documents, 10 books, approximately 60 photographs or images, and more than 56 artifacts. Among the donations were local pharmacy bottles found in yards by David Tibbetts and Richard MacFarland. They were Moody, Harris, and Harris McClearn bottles. Also Allan and John McCobb completed their 25-year project of writing a book on every findable McCobb who has ever lived. It, of course, includes the Boothbay McCobbs from 1730 to the 20th century.

We acquired a second shed for storage and we are doing some interior painting thanks to Mildred H. McEvoy Foundation grants.

We thank the townspeople for their willingness to contribute to the preservation of local history.

Now that 2017 has come to an end, we look to 2018 and the many changes ahead. Soon, beginning in May 2018 we will no longer take our trash to PERC. The new Fiberight facility should be ready. We look forward to this new chapter as we say goodbye to the partnership we had with PERC which lasted 30 years.

With this year's budget there is a considerable increase due to disposal cost for our trash. We knew this time was coming but it doesn't make it any easier to raise taxes.

As always, thank you for your continued support and feel free to stop by the office anytime with any questions. The Board of Directors meet monthly on the second Thursday of every month at 5:00 PM, you are always welcome to attend.

This past year, 2017, was the year the Boothbay Region Water District paused long enough to catch its breath and rebuild cash reserves to support the perpetual needs of the district's capital infrastructure replacement and upgrade program with only one project undertaken on an unplanned, emergency upgrade basis, located in East Boothbay. The *Meadow Cove Road Emergency Water Main Replacement Project* was authorized by the board of trustees in June, and repaired a 400-foot section of substandard water main. Additionally the district completed the following:

- Completed numerous watershed protection projects along Adams Pond in Boothbay, funded in part with grant money from the Maine Department of Health and Human Services as well as the Maine Department of Environmental Protection;
- Became embroiled in legal proceedings opposing a poorly conceived project plan of the Coastal Maine Botanical Gardens which, if left unaddressed, would/will contaminate Knickerbocker Lake irreparably;
- Won the State of Maine Source Water Protection Award;
- Upgraded over 500 water meters system wide; and
- Added over 54 new customers.

In 2017 the board bid farewell to two trustees: Walter Reed III, after serving three terms representing the town of Boothbay Harbor, and Chris Higgins, after serving one term representing the town of Boothbay. In February the town of Southport re-elected Smith Climo trustee, while the voters of Boothbay replaced Chris Higgins with Kevin Anthony and Boothbay Harbor replaced Walter Reed III with David Tibbetts. As of the first meeting of the 2017 board, Trustee Harry Pinkham (Boothbay Harbor) was elected Chairman, Trustee Gerald "Gerry" Gamage (Southport) was elected to serve as Vice-Chairman, Jon Lewis (Boothbay) was named Treasurer and Trustee Smith Climo (Southport) accepted the position of Clerk. Joining the officers on the board was Trustee Ken Marston (At-Large).

Looking ahead to 2018, district objectives include:

- Construction of a new garage/shop desperately needed at the Adams Pond campus;
- Initiate Phase IV of the year-round water meter replacement project; and a
- Continued emphasis on leak detection, equipment maintenance and unequaled performance (i.e. value to rate-payers).

The Boothbay Region Water District, Board of Trustees meet the 2nd & 4th Tuesday of every month at 6:00 p.m. during daylight savings time and 7:00 p.m. during standard time at the district administrative office located at 184 Adams Pond Road, Boothbay, Maine. The trustees value the public's opinion and encourage the public to attend. For further information concerning projects, minutes and other pertinent information concerning the operation of the district, the public is invited to access the district's web page at www.bbrwd.org.

Board of Selectmen
Town of Boothbay
1011 Wiscasset Road
P.O. Box 106
Boothbay, Maine 04537

We have audited the accompanying financial statements of the governmental activities, business-type activities, and each major fund of the Town of Boothbay, as of and for the years ended June 30, 2017 and 2016, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, and each major fund of the Town of Boothbay as of June 30, 2017 and 2016, and the respective changes in financial position, and where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Boothbay's basic financial statements. The combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Town of Boothbay's financial performance provides an overview of the Town's financial activities for the year ended June 30, 2017. Please read it in conjunction with the Town's financial statements provided by our independent outside auditors, William H. Brewer & Co.

This annual report consists of a series of financial statements. The Statement of Net Position (Exhibit A) and the Statement of Activities (Exhibit B) provide information about the activities of the Town as a whole and present a longer-term view of the Town's finances. Fund financial statements start with Exhibit C. For governmental activities, these statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the Town's operations in more detail than the government-wide statements by providing information about the Town's most significant funds. The fiduciary fund financial statements provide information about activities for which the Town acts solely as a trustee for the benefit of those outside of the government.

Reporting on the Town as a Whole

The Statement of Net Position (Exhibit A) and the Statement of Activities (Exhibit B)

The Statement of Net Position and the Statement of Activities report information about the Town as a whole. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Town's net position and changes in it. The Town's net position, the difference between assets and liabilities and deferred inflows, is one way to measure the Town's financial health or financial position. Over time, increases or decreases in the Town's net position are one indicator of whether its financial health is improving or deteriorating. Other non-financial factors, however, such as changes in the Town's property tax base and the condition of the Town's infrastructure, need to be considered to assess the overall health of the Town.

In these government-wide statements, the Town's activities are reported in one category:

Governmental activities – Most of the Town's basic services are reported here, including fire, general administration, roads, and recreation. Auto excise taxes, franchise fees, fines, state revenue sharing, and state and federal grants finance most of these activities.

Reporting on the Town's Most Significant Funds

The fund financial statements provide detailed information about the significant funds, but not on the Town as a whole. Some funds are required to be established by State law or by bond covenants. Additionally, the Board of Selectmen and management establishes other funds to help control and manage money for particular purposes.

Governmental Funds – The Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial resources that can readily be converted to cash.

The governmental fund statements provide a detailed short-term view of the Town's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's programs. The relationship between governmental activities and governmental funds is reconciled in Exhibits C and D.

Fiduciary Funds – The fiduciary fund financial statements report on activities for which the Town acts as a trustee. These activities are excluded from the Town's other financial statements because the Town cannot use these assets to finance its operations. The Town is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

Governmental Activities

This section will show a condensed financial comparison of revenues and expenses and provide explanations for significant differences.

To aid in the understanding of the Statement of Activities some additional explanation is given. Of particular interest is that the format is significantly different than the Statement of Revenues, Expenditures, and Changes in Fund Balance. Expenses are listed in the first column with program revenues attributable to that particular function being reported to the right. The result is a Net (Expense)/Revenue. The reason for this type of format is to highlight the relative financial burden of each of the functions on the Town's taxpayers. It also identifies the amount each function draws from the general revenues.

General Government	Charges for Services include revenue from licenses, permits and fees. Operating Grants and Contributions are unrestricted donations to the Town.
Public Safety	Charges for Services are mooring permits and dog licenses. Operating Grants and Contributions are grant monies received for the fire department.
Public Works	Operating Grants and Contributions are grant monies received through the Local Road Assistance Program.
General Assistance	Operating Grants and Contributions are State of Maine reimbursements for general assistance expenditures the Town incurred.

All other governmental revenues are reported as General Revenues. It is important to note that all taxes are classified as general revenue even if restricted for a specific purpose.

Total General Fund Expenditures	<u>\$10,312,916</u>	<u>\$ 9,366,592</u>

The Town's current General Fund Balance is \$2,892,091. This amount is composed of non-spendable, restricted, and unassigned components.

The Town's General Fund is improving after many years of decline. There were a number of reasons attributed to the decline and most of those have been corrected in the last three years. In previous years, expenditures have been made that were spent out of the unassigned fund balance and not replenished. This practice has been completely eliminated and reversed. Expenditures in excess of appropriations were recognized at Town Meeting and surplus was added to the General Fund. The concerted effort in the next few years to replenish the General Fund must continue for a few more years. The Selectmen have established a policy to maintain 18.75% of appropriation or a three year plan to replenish the funds. The positive year, this year, will bring us within 50% of that goal. Budgeting expenditures and revenues has also been closely scrutinized for better accuracy. This effort will continue and even be refined. Conservative estimates will create surpluses and funds will lapse back to the general fund.

The unassigned portion of the fund balance is the most crucial for the Selectmen to monitor. The unassigned balance as of June 30, 2017 was \$1,955,238. Compare that to June 30, 2016, when the unassigned balance was \$1,114,005. The Town increased the unassigned fund balance by 7.8%. This was due to the combination of excess revenues over expenditures and the using of capital improvement reserve funds to off-set capital outlays. If the town continues this trend the fund balance will be fully restored in a few years. The benefits are already being enjoyed by the Town. A Tax Anticipation Note was not required this year and cash flow is fully capable of fulfilling expenditures timely. The town will continue to implement the three year UDF replacement plan.

Tax Increment Financing (TIF)

With the creation of TIF #3, all three TIF funds are being accounted for separately. We identify the three different TIF agreements, with Hodgdon Marine LLC, Washburn Doughty, and Boothbay Commercial District as separate and independent TIF programs. The TIF funds will be clearly differentiated from the rest of the General Fund. No projects are projected for funding this year. A concerted effort to rebuild the TIF fund balance will continue in the next few years.

General Fund Budgetary Highlights

The adoption of the Internal Control and Procedures Policy in 2013 led to very stable and predictable activity in the General Fund. Segregation of duties has established procedures which creates checks and balances. These checks and balances provide stability to revenue and expenditure recording and predictability to projections. Monthly reconciliation is also much more predictable and thorough.

Capital Assets

As of June 30, 2017, the Town had a net capital assets of \$4,563,725.

For the years ended June 30, 2017 and 2016 capital asset comparisons are as follows:

	2017	2016
Beginning Net Capital Assets	\$ 4,005,686	\$ 4,136,617
Net (Decrease) Increase	558,039	(130,931)
Ending Net Capital Assets	<u>\$ 4,563,725</u>	<u>\$ 4,005,686</u>

The Town's capital assets showed a decline in value for the year ending June 30, 2016. Although we added \$1,019,658 in capital assets, the value of assets disposed of combined with depreciation on assets was greater.

The chart below depicts the Town's assets by their share of the total.

Chart 5

Debt Administration

At year-end the Town's general obligation bonds had a balance of \$1,150,000. The bond is to finance the Route 27 project.

The only long-term liabilities that the Town is obligated for is the value of accrued compensated absences for Town employees. This amounts to \$23,692 as of June 30, 2017.

Economic Factors and Next Year's Budgets and Tax Rates

Property values are still a very important topic in the Selectmen's Office. Property values are a key component in determining the tax rate. The next largest component is spending. And the final piece of the formula is revenues. To the extent possible, the Selectmen have been able to control spending for Town services. However, the cost of Education and the County Tax continue to rise at an alarming rate. The economic downturn has severely reduced Federal and State spending. The term Reduced Spending translates to reduced revenues to the Town of Boothbay. The reduced revenues to the Town of Boothbay means an increased burden on the property tax to support local government, local roads, education, and the Town's share of County government. Your Selectmen have worked diligently to review and modify all areas of spending, purchasing and revenues to wring out what ever savings we can for you, the taxpayer.

During this economic downturn we have had to tighten the Municipal Budget. Like the Federal Government, the State and the towns around us, we have had to measure services wisely. The Selectmen have worked diligently in producing better services without asking for more budgetary permissions. Repair of the undesignated fund, capital budgeting, and conservative estimates in budgeting are key factors in buffering the uncertainties that effect the tax rate.

Contacting the Town's Financial Management

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Town Manager's Office at 1011 Wiscasset Road, Boothbay, Maine, or by phone at (207) 633-2051.

The sale of assets is recorded as revenue in the governmental funds, but in the Statements of Activities it is reduced by the net book value of the assets sold.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Town of Boothbay conform to generally accepted accounting principles as applicable to governmental units.

1. Financial Reporting Entity

The Town of Boothbay, incorporated in 1764, currently operates under a Board of Selectmen form of government with a Town Manager as the Chief Administrator of the Town. The Board consists of five members elected by the registered voters for three year staggered terms. The financial statements of the Town conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is responsible for establishing Generally Accepted Accounting Principles (GAAP) for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) (when applicable) that do not conflict with or contradict GASB pronouncements. The more significant accounting policies established in GAAP and used by the Town are discussed below.

In evaluating the Town of Boothbay as a reporting entity, management has addressed all potential component units for which the Town may or may not be financially accountable and, as such, be includable within the Town's basic financial statements. In accordance with GASB, the Town (the primary government) is financially accountable if it appoints a voting majority of the organization's governing board and (1) it is able to impose its will on the organization or (2) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the Town. The Town also is financially accountable for organizations that are fiscally dependent on it and if there is a financial benefit or burden relationship. Additionally, the primary government is required to consider other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's basic financial statements to be misleading or incomplete. Based on the application of these criteria, there are no other entities within the Town that should be included as part of these financial statements.

2. Basic Financial Statements - Government-Wide Statements

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both the government-wide and fund financial statements categorize primary activities as governmental. The Town's public safety, recreation, public works, and general administrative services are classified as governmental activities.

In the government-wide Statements of Net Position, the governmental column is presented on a consolidated basis by column, and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net position are reported in three parts - invested in capital assets; restricted; and unrestricted. The Town first utilizes restricted resources to finance qualifying activities.

The government-wide Statements of Activities reports both the gross and net cost of each of the Town's functions and business-type activities (public safety, public works, administrative, etc.). The functions are also supported by general government revenues (property, certain intergovernmental revenues, fines, permits, and charges, etc.). The Statements of Activities reduces gross expenses (including depreciation) by related program revenues, and operating and capital grants. Program revenues must be directly associated with the function (public safety, public works, etc.). Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

2. Basic Financial Statements - Government-Wide Statements (Cont'd)

The net costs (by function or business-type activity) are normally covered by general revenue (property, intergovernmental revenues, interest income, etc.).

This government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's net position resulting from the current year's activities.

3. Basic Financial Statements - Fund Financial Statements

The financial transactions of the Town are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the Town:

a. Governmental Funds:

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Town:

1. General Fund:

General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Capital Projects Funds:

Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities and equipment.

3. Fiduciary Funds:

Fiduciary Funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support Town programs. The reporting focus is on net position and changes in net position and are reported using accounting principles similar to proprietary funds.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. Nonmajor funds by category are summarized into a single column. GASB No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category) for the determination of major funds.

The Town's fiduciary funds are presented in the fiduciary fund financial statements. Since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

4. Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied:

a. Accrual:

Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

b. Modified Accrual:

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e. both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

5. Financial Statement Amounts

a. Cash and Cash Equivalents:

The Town has defined cash and cash equivalents to include cash on hand, demand deposits, and cash with fiscal agents. Statutes authorize the Treasurer of the Town, as directed by the municipal officers, to invest all municipal funds, including reserve and trust funds, to the extent that the terms of the instrument, order, or article creating the fund do not prohibit the investment in financial institutions as described in Section 5706 MRSA and securities as described in Sections 5711 through 5717 MRSA.

b. Inventory:

Fuel inventory is valued at cost and consists of gas and diesel purchased for internal use and resale to local governmental entities.

c. Capital Assets:

Capital assets purchased or acquired with an original cost of \$1,000.00 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	20-50 Years
Machinery and Equipment	5-10 Years
Improvements	10-20 Years
Other Infrastructure	10-50 Years

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

5. Financial Statement Amounts (Cont'd)

d. Revenues:

Substantially, all governmental fund revenues are accrued. Property taxes are billed and collected within the same period in which the taxes are levied. In applying GASB No. 33 to grant revenues, the provider recognizes liabilities and expenses and the recipient recognizes receivables and revenue when the applicable eligibility requirements, including time requirements, are met. Resources transmitted before the eligibility requirements are met are reported as advances by the provider and deferred revenue by the recipient.

e. Expenditures:

Expenditures are recognized when the related fund liability is incurred. Inventory costs are reported in the period when inventory items are used, rather than in the period purchased.

f. Compensated Absences:

The Town accrues accumulated unpaid vacation and sick leave and associated employee-related costs when earned (or estimated to be earned) by the employee. The noncurrent portion (the amount estimated to be used in subsequent fiscal years) for governmental funds is maintained separately and represents a reconciling item between the fund and government-wide presentations.

g. Use of Estimates:

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

h. Fund Balance:

In accordance with GASB Statement No. 54, the Town employs terminology and classifications for fund balance items as follows:

Nonspendable fund balances includes amounts that cannot be spent because they are not in spendable form or legally or contractually required to be maintained intact.

Restricted fund balances represent those portions of fund equity that have externally enforceable legal restrictions.

Committed fund balances are amounts that can be used only for specific purposes because of a formal action taken by town government. The fund balances in the Capital Projects Fund are in this category.

Assigned fund balances are amounts that the Town intends to use for specific purposes. The Board of Selectmen approved carryovers are included in assigned fund balances.

Unassigned fund balances are all amounts in the General Fund that are not assigned to another category. Only the General Fund can have an unassigned fund balance.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

NOTE B - CASH AND CASH EQUIVALENTS:

At year-end the carrying amount of the Town's deposits (checking, certificates of deposit, and savings accounts) was \$2,879,851.76 and the bank balance was \$3,262,570.40. Of the bank balance, \$285,000.00 was covered by federal depository insurance and \$2,977,570.40 was collateralized with funds held by the pledging bank's trust department, not in the Town's name.

NOTE C - GENERAL FUND BUDGET:

At the annual town meeting, held in May of each year, the townspeople vote on various articles that become the appropriations for the following fiscal year. The Board of Selectmen present their budget in the form of warrant articles for the townspeople to approve at the annual town meeting. Budgets are adopted for the general fund only on a basis consistent with accounting principles generally accepted in the United States of America. Formal budgetary integration is employed as a management control device during the year for the general fund. The budget is presented on the modified accrual basis of accounting, which is consistent with U.S. generally accepted accounting principles.

NOTE D - DESIGNATED FOR SUBSEQUENT YEARS' EXPENDITURES:

Historically, the townspeople vote to allow the Board of Selectmen to carry certain departmental unexpended balances forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

NOTE F - REVENUE RECOGNITION - PROPERTY TAXES:

The Town's property tax for the current year was levied July 11, 2016 on the assessed value listed as of April 1, 2016 for all real and personal property located in the Town. One half of the total tax was due August 26, 2016 with the balance due February 14, 2017. Interest of 7.0% was charged on delinquent taxes on the unpaid portion of one-half of the tax bill not paid on or before August 27, 2016, and on the entire portion not paid on or before February 15, 2017.

Tax liens are placed on real property within twelve months following the tax commitment date if taxes are delinquent. The Town has the authority to foreclose on property eighteen months after the filing of the lien if tax liens and associated costs remain unpaid. Property acquired by foreclosure for non-payment of taxes is recorded at the amount of expired tax liens. Liens and any current taxes on the same period are not included as part of the tax acquired property account until expiration of statutory time limits.

The National Council on Governmental Accounting (N.C.G.A.) Interpretation No. 3 requires that property tax revenue be recognized only to the extent it will be collected within 60 days following the year end. The deferred tax revenue shown on the balance sheet represents property taxes not expected to be collected within 60 days after the year end.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

NOTE F - REVENUE RECOGNITION - PROPERTY TAXES (CONT'D):

Property taxes are recognized when they become available. Available includes those taxes expected to be collected within 60 days after the year end as stated above. Delinquent taxes are considered fully collectible and therefore no allowance for uncollectible taxes is provided.

NOTE G - PENSION PLAN - DEFINED CONTRIBUTION:

The Town of Boothbay offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 401(a) money purchase plan through the International City Management Association Retirement Corporation.

The deferred compensation plan is available to all employees of the Town. Under the plan, employees may elect to defer a portion of their salary and avoid paying taxes on the deferred portion until the withdrawal date. The deferred compensation amount is not available for withdrawal by employees until termination, retirement, death, or unforeseeable emergency. The Town's computed contribution to this plan for the year ended June 30, 2017 was \$41,003.82 and the employees contributed \$2,556.00. Assets of the plan are placed in trust for the exclusive benefit of participants and their beneficiaries. Accordingly, the assets and the liability for the compensation deferred by plan participants, including earnings on plan assets, are not included in the Town's financial statements.

NOTE J - COMPENSATED ABSENCES:

The Town allows employees to accumulate up to 50 days in unused sick leave. Vacation time may accumulate up to a maximum of 25 days or 200 hours or more at the discretion of the town manager. Upon separation or retirement the Town will pay the employee a maximum of 15 days for unused vacation and 25% of their unused sick leave.

As of June 30, 2017, the accrued vacation and sick leave was \$23,691.92. The amount expected to be paid from current resources is not significant.

NOTE K - RISK MANAGEMENT:

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. All significant losses are covered by commercial insurance. There has been no significant reduction in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

NOTE L - OVERLAPPING DEBT:

The Town of Boothbay is situated in Lincoln County and is therefore subject to annual assessment of its proportional share of county expenses. Long-term debt outstanding in Lincoln County, for which the Town of Boothbay would be proportionally responsible in the event the County defaulted, amounted to \$5,560,000.00 at December 31, 2016. The Town of Boothbay's share would be 13.24% of the debt, or approximately \$736,144.00.

The Town of Boothbay is a member of the Boothbay-Boothbay Harbor Consolidated School District and is therefore subject to annual assessment of its proportional share of school expenses. Long-term debt outstanding for the Boothbay-Boothbay Harbor Consolidated School District, for which the Town of Boothbay would be proportionally responsible in the event the District defaulted, amounted to \$544,603.70 at June 30, 2017. The Town of Boothbay's share would be 60% of the debt, or approximately \$381,222.00.

NOTE M - TAX INCREMENT FINANCING DISTRICT:

Hodgdon Marine LLC Municipal Development and Tax Increment Financing District

Under Title 30, Subchapter II-B of the Maine State Statutes, the Town of Boothbay formed a Tax Increment Finance (TIF) District to finance certain public improvements to Hodgdon Marine, LLC Municipal Development and Tax Increment Financing District. The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's "captured assessed value" over a twenty year period to expire June 30, 2021. The tax increment will be held in the form of a sinking fund. The short-term financing mechanism for the public improvements project is a reimbursement agreement between the Town and the developer.

The Town established the Hodgdon Marine, LLC Municipal Development and Tax Increment Financing District at a special town meeting held on December 6, 1999. This agreement was for the improvement of facilities within the District by Hodgdon Marine, LLC. During the following twenty years of the development program, the Town will capture one hundred percent (100%) of the increase in the assessed value due to real and personal property improvements, allocating seventy five percent (75%) of the incremental municipal tax increment revenues to the Company pursuant to a credit enhancement agreement. No part of the incremental revenues from the additional personal property will be returned to the Company pursuant to the Development Program.

Washburn & Doughty Municipal Development and Tax Increment Financing District

Under Title 30, Subchapter II-B of the Maine State Statutes, the Town of Boothbay formed a Tax Increment Finance (TIF) District to finance certain public improvements to Washburn & Doughty Municipal Development and Tax Increment Financing District. The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's "captured assessed value" over a twenty year period to expire June 30, 2031. The tax increment will be held in the form of a sinking fund. The short-term financing mechanism for the public improvements project is a reimbursement agreement between the Town and the developer.

TOWN OF BOOTHBAY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017

NOTE M - TAX INCREMENT FINANCING DISTRICT (CONT'D):

The Town established the Washburn & Doughty Municipal Development and Tax Increment Financing District at the annual town meeting held on May 4, 2009. The agreement was for improvements made to 7 and 8 Enterprise Street. During the following twenty years of the development program, the Town will capture one hundred percent (100%) of the increase in the assessed value due to real and personal property improvements, allocating seventy five percent (75%) of the incremental municipal tax increment revenues to the Company pursuant to a credit enhancement agreement. No part of the incremental revenues from the additional personal property will be returned to the Company pursuant to the Development Program.

The Real Property Captured Tax Increment Revenues shall be calculated based on real property values in excess of the Town's valuation of the District as of July 12, 2008 (\$385,000.00). The Company increment portion will be used by the Company either to pay costs of the project directly or to pay debt service used to finance the project. The project costs financed by the Real Property Captured Tax Increment Revenues will represent only a portion of the total costs of the project. All additional costs of the Company in respect of the project will be the responsibility of the Company. After twenty years, the Company will have no further right to the Company Increment Portion, and it will form part of the Town's general revenues.

Omnibus Tax Increment Financing District

Under Title 30, Subchapter II-B of the Maine State Statutes, the Town of Boothbay formed a Tax Increment Finance (TIF) District to finance certain public improvements to the Route 27 Municipal Development and Tax Increment Financing District. The expenditures from this development project will be recouped in future years via an incremental tax levied upon the District's "captured assessed value" over a thirty year period to expire June 30, 2044. The tax increment will be held in the form of a sinking fund. The short-term financing mechanism for the public improvements project is a reimbursement agreement between the Town and the developer.

The Town established the Omnibus Municipal Development and Tax Increment Financing District at the annual town meeting held on May 5, 2014. The agreement was for improvements made to the Route 27 corridor. During the following thirty years of the development program, the Town will capture one hundred percent (100%) of the increase in the assessed value due to real and personal property improvements, allocating all of the incremental municipal tax increment revenues to the Town's reserves or to developers in the form of a credit enhancement agreement. No part of the incremental revenues from the additional personal property will be returned to the Company pursuant to the Development Program.

The Real Property Captured Tax Increment Revenues shall be calculated based on real property values in excess of the Town's valuation of the District as of July 22, 2014 (\$14,596,200.00). The town has the ability to enter into credit enhancement agreements with the individual developers of property within the district during the term of the development program. The Company increment portion will be used by the Company either to pay costs of the project directly or to pay debt service used to finance the project. The project costs financed by the Real Property Captured Tax Increment Revenues will represent only a portion of the total costs of the project. All additional costs of the Company in respect of the project will be the responsibility of the Company. After thirty years, the Company will have no further right to the Company Increment Portion, and it will form part of the Town's general revenues.

Under all three agreements, all remaining municipal tax increment revenues on retained captured asset value from the District will be used to pay costs of road and related improvements on the adjoining Town owned land within the District, improvements to School Street, fire station improvements in the District and other project costs described in 30-A M.R.S.A. §5252(8) and has to be approved by the board of selectmen.

Shaded areas indicate taxes that were not paid in full by 4/3/18.

Governor

Dear Citizens of Boothbay:

For the past seven years as your Governor, my priority has been to make Maine – our people – prosper. Helping you keep more money in your wallet by reducing taxes has been part of that mission.

Too many Maine families are facing skyrocketing property taxes that strain household budgets. Our elderly on fixed incomes are particularly vulnerable to these increases. School budgets are often blamed for annual increases in property taxes. But there's another reason. A tremendous amount of land and property value has been taken off the tax rolls, leaving homeowners to pick up the tab.

As of 2016, towns and cities owned land and buildings valued at nearly \$5.5 billion statewide. Large and wealthy non-profits, such as hospitals and colleges, often escape paying property taxes on their vast real estate holdings – totaling more than \$5.1 billion statewide.

In Maine, nearly 2.5 million acres of land have been set aside for conservation by the federal and state governments and non-profit organizations, including land trusts. Municipalities are losing out on property taxes on an estimated \$2 billion in land that has been either removed from the tax rolls or prohibited from development – shifting the cost of municipal services to local homeowners through higher property taxes.

It's time to recognize the results of taking property off the tax rolls, and identify solutions to reduce the burden on our homeowners. My administration's proposals have been met with staunch resistance.

In 1993, about 35,800 acres of land were documented as land-trust owned. That number has increased by an astonishing 1,270 percent. Land trusts now control over 490,000 acres with an estimated value of \$403 million. We must restore the balance. We will be working this session to ensure all land owners are contributing to the local tax base. It's time for them to pay their fair share.

I encourage you to ask your local officials how much land in your municipality has been taken off the tax rolls, as well as how much in tax revenue that land would have been contributing today to offset your property taxes.

If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,
Paul R. LePage
Governor

State Senator

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent you in the Maine Senate. It has been an honor to work on your behalf to make our state an even better place to live, work and conduct business.

On August 2, Maine lawmakers finally adjourned for the year, after what proved to be the longest session in recent memory due to a brief government shut down over budgetary disagreements. While no state budget is ever perfect, the end product was a state budget that makes a record investment in our students, supports our communities and will tremendously benefit small businesses and our economy.

Perhaps the most significant action the Legislature took last year, as part of the biennial budget, was the removal of the burdensome, job-killing surtax that was already hurting small businesses, doctors and other professionals that we so critically need. In November 2016, voters sent a clear message that education funding was to be a priority of the 128th Legislature, and we heard that message loud and clear. However, the funding mechanism which was included in the measure – the surtax – presented a serious threat to the state's economy. This new tax gave Maine the ominous distinction of being the highest-taxed state in the country and primarily impacted small businesses, which are the backbone of our economy, taxing them at a rate that is higher than larger corporations are subject to pay. I am proud to say that after a lot of hard work and negotiating, thanks to our rebounding economy, we were able to support our local schools at a level we have never been able to before – without any additional taxation.

The Homestead Exemption, which provides much-needed property tax relief for homeowners, was also preserved in the budget with an increased exemption of \$20,000.

The Legislature also passed a measure to make Maine compliant with the REAL ID Act. As a result of this important new law, the federal government has granted Maine a waiver, meaning that Maine citizens will continue to be able to use their driver's licenses to board commercial airplanes and access certain federal buildings.

While we accomplished much, there is still a lot of work ahead of us next session. Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you need my help in navigating the state bureaucracy. I can be reached in Waldoboro at 207-832-4658, in Augusta at 287-1505, or by email at dana.dow@legislature.maine.gov.

Sincerely,
Dana Dow
Maine State Senator

State Representative

Dear Friends and Neighbors,

Happy New Year! The Second Regular Session of the 128th Legislature convened on January 3rd, and we will be working on nearly 500 bills before statutory adjournment on April 18th. In the coming months I will continue my work on the Joint Standing Committee on Marine Resources. Responsible for reviewing and providing recommendations on bills relating to commercial marine fisheries management, licensing and enforcement, and the processing and sale of fish and shellfish, this is an important committee whose decisions have serious consequences for some of our most valuable industries.

I encourage you to call me any time at 287-1440 or email me at Stephanie.Hawke@legislature.maine.gov to keep me updated on any concerns you might have. By now you will have received my Legislative Update and survey in the mail. If you have not already done so, I ask that you please take a few minutes to answer the questions and provide any feedback you have. If you would like to be added to my email update list, you can do so by emailing me directly with your request. Another way to stay up-to-date on state news is to visit the Legislature's website, www.legislature.maine.gov.

Again, thank you for giving me the opportunity to serve as your State Representative. I look forward to continuing my work to help improve the lives of the people of our communities and across the state.

Warmest regards,
Stephanie Hawke
State Representative

U.S. Senator

Dear Friends,

Representing Maine in the United States Senate is an honor.

I continue my work on the Senate Armed Services Committee, each year authorizing the funding required to build our military capabilities and ensuring that our service members are trained and equipped to defend our nation. I was pleased to be part of a bipartisan effort to enact a new law to simplify the appeals review process to reduce the backlog our veterans are facing, as well as a new law that provides critical funding to the VA Choice Program, allowing veterans in rural Maine to access services closer to home.

While my committee work is important, working to combat the opioid epidemic is one of my top priorities. Although Congress has made some important strides, much remains to be done to provide additional funding for prevention, treatment and enforcement. I am working with colleagues on both sides of the aisle to pressure the Drug Enforcement Administration to reduce the amount of opioids produced and to thwart the flow of fentanyl and other deadly drugs into our country.

I am very optimistic about the integrated, multiagency effort I led with Senator Collins to foster innovation and commercialization in Maine's forest economy. Through the Economic Development Assessment Team (EDAT) we are already experiencing increased federal investments that will strengthen our existing forest products industry and help support job creation in rural communities. Initiatives like Cross Laminated Timber, Combined Heat and Power, nanocellulose, 3D printing with biobased materials and other biobased products will mean that Maine's wood-basket will continue to be a major jobs and economic contributor for our future.

Finally, the coming year will continue the work of the Senate Select Committee on Intelligence in the ongoing investigation of Russian interference in the 2016 election. Our Committee has held seven public hearings and numerous classified sessions, reviewed tens of thousands of pages of documents and conducted hundreds of interviews. I remain focused on the security of our elections and committed to developing strategies to prevent interference by foreign governments in our democracy.

May 2018 be a good year for you, your family, your community and our great State.

Best,
Angus S. King
United States Senator

U.S. Senator

Washington, DC

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from this past year.

Maine has the oldest average age in the nation. As Chairman of the Senate Aging Committee, my top three priorities for the Committee are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security. Following the Committee's investigation into skyrocketing prescription drug costs, I authored bipartisan legislation to foster generic competition, which was signed into law. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for seniors to report suspected fraud and receive assistance. To support the 40 million family caregivers in the United States, I am proud to have authored the RAISE Family Caregivers Act to create a coordinated strategy to support family members who make countless personal and financial sacrifices to care for their loved ones.

The opioid crisis touches families and communities across our state. As a member of the Appropriations Committee, I fought for significant increases in funding to support community, law-enforcement, and public health efforts. In April, the State of Maine was awarded over \$2 million to fight this devastating public health crisis. Additionally, I have authored legislation to support grandparents and other extended family members who are raising grandchildren as a result of the nation's opioid epidemic.

Biomedical research has the potential to improve and save lives, and also supports good jobs at research facilities here in Maine. Last year, the Appropriations Committee approved a \$2 billion increase for the National Institutes of Health for the third consecutive year. This includes an increase of nearly 30 percent for research on Alzheimer's, our nation's most costly disease. As founder and co-chair of the Senate Diabetes Caucus, I work to raise awareness of the threats posed by diabetes, invest in research, and improve access to treatment options. My bill to establish a national commission of health care experts on diabetes care and prevention was signed into law in 2017.

We owe our veterans so much. Last year, I worked to secure the authorization of a Community-Based Outpatient Clinic in Portland to support the health care of Maine's veterans in the southern part of our state. I also worked to secure funding extensions to help veterans throughout rural Maine receive health care within their communities. I also worked to secure funding for housing vouchers for veterans to reduce veterans' homelessness.

Maine's contributions to our national security stretch from Kittery to Limestone. I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard for construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen our national security and preserve great jobs in our state.

As chairman of the Transportation and Housing Appropriations Subcommittee, I worked to increase funding for the TIGER program that has provided Maine with more than \$122 million for vital transportation projects. For housing, I worked to provide \$160 million to help communities protect children from the harmful effects of lead poisoning.

Growing our economy remains a top priority. I supported the comprehensive tax reform bill because it will help lower- and middle-income families keep more of their hard-earned money; boost the economy; and encourage

businesses, both small and large, to grow and create jobs here in Maine and around the country. This legislation contains key provisions I authored that are important to Mainers, including preserving the deduction for state and local taxes, expanding the deduction for medical expenses, and enabling public employees such as firefighters, teachers, and police officers, as well as clergy and employees of nonprofits, to make “catch-up” contributions to their retirement accounts. I led the effort to ensure that the tax cut will not trigger automatic budget cuts to Medicare or any other programs.

A Maine value that always guides me is our unsurpassed work ethic. As of December 2017, I have cast more than 6,500 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Lincoln County and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Augusta office at 207-622-8414 or visit my website at www.collins.senate.gov. May 2018 be a good year for you, your family, your community, and our state.

Sincerely,
SUSAN M. COLLINS
United States Senator

U.S. Representative

Dear Friend,

I hope this letter finds you well. It's a privilege to share an update on my work to represent you and your family in Washington and in Maine.

Even though Washington is so bitterly divided these days, I've continued to look for bipartisan opportunities to address issues important to our state. Nearly all the bills I've introduced this Congress have Republican cosponsors.

One piece of legislation would help protect our state's economy by investing in working waterfronts. Another would allow Mainers to import less expensive prescriptions from Canada. And several bills would help our farmers capitalize on the fastest growing areas of agriculture—local and organic sales—by investing in research, increasing consumer access to healthy food, and improving farmer programs.

I'm happy to report bipartisan victories for our veterans as well. After working for years with Maine's Congressional Delegation, we were finally able to push a much-needed expansion of the Portland VA Community Based Outpatient Clinic through Congress. Legislation I introduced to help veterans who find themselves in debt to the Department of Veterans Affairs unanimously passed the House of Representatives. And full GI Bill benefits were extended to a group of veterans who had been denied them previously—an issue I've introduced legislation to address.

While I strive to find common ground with my colleagues on everything from rural broadband access to economic development, there are many areas where I will not compromise. I have serious concerns about the direction the Trump Administration and its allies in Congress are taking our country. In so many ways, they have abandoned America's leadership in the world, made our country less safe, and are jeopardizing our future. They've weakened our health care system, rigged the tax code against working families, and endangered the environment. With one hand, they are taking away resources our families and communities need. With the other, they are offering generous giveaways to giant corporations and the wealthiest Americans.

Over the last year, I've received an unprecedented amount of feedback on these issues from my constituents. With their concerns and interests in mind, I have fought hard against these policies. I will continue using my role in Congress and the Appropriations Committee to hold the Administration and the President accountable.

My office assists hundreds of constituents every year who have issues with federal programs or agencies. I hope that you will reach out if you need help or if you would simply like to share your views. I would welcome the opportunity to serve you and it is an honor to represent you in the U.S. Congress.

Take care,
CHELLIE PINGREE
Member of Congress

Section 5.11.5. Signage.

Each safe zone designated under this ordinance shall be conspicuously marked as such with an informational sign using wording approved by the Commissioner of Public Safety pursuant to 30-A M.R.S.A. § 3253, as may be amended.

Section 5.11.6. Enforcement.

If a person is found trafficking, furnishing or cultivating drugs within a designated safe zone, he or she may be found guilty of an aggravated offense and subjected to increased penalties.

Section 5.11.7. Effective Date.

This ordinance shall become effective upon adoption by Town Meeting.

**2017 Amendments
to the Zoning Ordinance of the Town of Boothbay
Regarding Retail Marijuana Establishments**

The Zoning Ordinance of the Town of Boothbay shall be amended as follows:

-
1. Amend **Sections 3.9.2.1.3.2** and **3.9.5.1.3.2** of the Zoning Ordinance by adding “Retail Marijuana Establishment” alphabetically in the commercial and industrial use/activity column of the Land Use Table; by adding “PB” [Requires Planning Board determination that Proposal satisfies General Review criteria of Section 3.6.1] to modify said “Retail Marijuana Establishment” use in the Outside Overlay areas column of the Land Use Table; and by adding a reference to Section 3.10.24 of the ordinance in the “Supplemental Standards” column of the Land Use Table to modify said “Retail Marijuana Establishment” use for the C2 and Industrial Park zoning districts.

 2. Amend **Sections 3.9.1.2.1, 3.9.3.2.1, 3.9.4.2.1, 3.9.6.2.1, 3.9.7.2.1, 3.9.8.2.1, 3.9.9.2.1, and 3.9.10.2.1** of the Zoning Ordinance by adding “Retail Marijuana Establishment” alphabetically as a prohibited use in the C1, C3, General Residential, Maritime Commercial, Special Residential, Village, Water Reservoirs Protection and Well Head Protection zoning districts.

 3. Amend **Sections 3.9.1.2.1, 3.9.2.2.1, 3.9.3.2.1, 3.9.4.2.1, 3.9.5.2.1, 3.9.6.2.1, 3.9.7.2.1, 3.9.8.2.1, 3.9.9.2.1, and 3.9.10.2.1** of the Zoning Ordinance by adding “Retail Marijuana Social Club” alphabetically as a prohibited use in the C1, C2, C3, General Residential, Industrial Park, Maritime Commercial, Special Residential, Village, Water Reservoirs Protection and Well Head Protection zoning districts.

 4. Add a **new Section 3.10.24**, regarding Supplemental Use Standards for Retail Marijuana Establishments, as follows (additions are underlined):

3.10.24 Retail Marijuana Establishments

3.10.24.1 Location criteria. No retail marijuana establishment shall be sited within five hundred (500) feet of the lot lines of a drug free safe zone.

3.10.24.2 Area of activities. Production, storage, testing, display, and sale of marijuana and marijuana products shall be within a building and shall not be visible from the exterior; provided, however, that a mobile, self-contained extraction lab maybe in operation at a retail marijuana establishment site on a temporary, short-term basis (*i.e.*, less than five (5) days per month).

3.10.24.3 Noxious gases and fumes. Retail marijuana product manufacturing facilities and retail marijuana testing facilities shall include appropriate ventilation and alarm systems to mitigate noxious gases or other fumes used or created as part of the production.

3.10.24.4 Security. Security requirements for retail marijuana establishments shall include:

- (1) Lockable doors and windows to include intrusion alarms with audible and law enforcement notification components sending notification directly to or through a third party to the local law enforcement agency.
- (2) Video surveillance capable of covering the exterior of the establishment, interior, and any plants cultivated within the establishment. The video surveillance system shall be operated with continuous recording twenty-four hours per day, seven days per week and such records of surveillance shall be retained for a minimum duration of thirty (30) days.
- (3) Exterior lights with motion sensors covering the full perimeter of the establishment.

3.10.24.5 Off premises storage. Off premises storage of marijuana or marijuana products relating to growing, selling, distributing, testing, or processing marijuana or marijuana products is considered an extension of those uses and must meet all state and local standards for those uses, including, without limitation Planning Board review and approval.

3.10.24.6 Prohibition on drive-through service. No retail marijuana establishment shall operate a drive-through service.

3.10.24.7 Additional standards for retail marijuana cultivation facilities.

3.10.24.7.1 Retail marijuana cultivation facility activity shall be within an enclosed locked area or enclosed outdoor area. The cultivation area shall not be visible from a public way or adjacent properties.

3.10.24.7.2 Retail marijuana cultivation facilities located in the C2 zoning district are limited to seven thousand five hundred square feet (7500 s.f.) or three hundred (300) flowering marijuana plants, whichever is less. Retail marijuana cultivation facilities located in the Industrial Park zoning district shall be in accordance with State standards.

5. Amend **Section 6**, regarding Definitions, by adding alphabetically the following definitions (additions are underlined):

• • •

Cannabis: “Cannabis” as that term is defined in 7 M.R.S.A. § 2442(5), as may be amended.

Drive-through service: A business establishment that allows for brief walk-up window or **drive-through** customer transactions on the premises, either by direct contact with service personnel or by use of automated equipment.

Drug free safe zone: An area designated as a “safe zone” within the meaning of 30-A M.R.S.A § 3253, as may be amended, by Town Meeting.

Enclosed, locked facility/Enclosed outdoor area: A closet, room, building, greenhouse, or other enclosed area that is equipped with locks or other security devices that permit access only by the individual authorized to grow, cultivate, process, store, and distribute marijuana in conformance with the State law.

Flowering marijuana plant: “Flowering marijuana plant” as that term is defined in 7 M.R.S.A. § 2442(12), as may be amended.

Marijuana: Marijuana means cannabis.

Plant canopy: “Plant canopy” as that term is defined in 7 M.R.S.A. § 2442(29), as may be amended.

Retail marijuana cultivation facility: A “retail marijuana cultivation facility” as that term is defined in 7 M.R.S.A. § 2442(35), as may be amended. A retail marijuana cultivation facility is an entity licensed to cultivate, prepare and package retail marijuana and sell retail marijuana to retail marijuana establishments and retail marijuana social clubs.

Retail marijuana establishment: A “retail marijuana establishment” as that term is defined in 7 M.R.S.A. § 2442(36), as may be amended. A retail marijuana establishment is a retail marijuana store, a retail marijuana cultivation facility, a retail marijuana products manufacturing facility, or a retail marijuana testing facility.

Retail marijuana products manufacturing facility: A “retail marijuana products manufacturing facility” as that term is defined in 7 M.R.S.A. § 2442(38), as may be amended. A retail marijuana products manufacturing facility is an entity licensed to purchase retail marijuana; manufacture, prepare and package retail marijuana products; and sell retail marijuana and retail marijuana products only to other retail marijuana products manufacturing facilities, retail marijuana stores and retail marijuana social clubs.

Retail marijuana social club: A “retail marijuana social club” as that term is defined in 7 M.R.S.A. § 2442(39), as may be amended. A retail marijuana social club is an entity licensed to sell retail marijuana and retail marijuana products to consumers for consumption on the licensed premises.

Retail marijuana store: A “retail marijuana store” as that term is defined in 7 M.R.S.A. § 2442(40), as may be amended. A retail marijuana store is an entity licensed to purchase retail marijuana from a retail marijuana cultivation facility and to purchase retail marijuana products from a retail marijuana products manufacturing facility and to sell retail marijuana and retail marijuana products to consumers.

Retail marijuana testing facility: A “retail marijuana testing facility” as that term is defined in 7 M.R.S.A. § 2442(41), as may be amended. A retail marijuana testing facility is an entity licensed and certified to analyze and certify the safety and potency of retail marijuana and retail marijuana products.

BOONE

We have welcomed a new part time addition to our staff at the Town Office.

He is a very handsome Chesapeake Bay Retriever named Boone.

He is owned by Hillary Hyson who is in the Code Enforcement Office.

He loves to come to work with Mom.

He makes our days brighter and thinks everyone is coming to see him.

(We'll just let him keep thinking that.)
