

Town of Boothbay 2022 Annual Report

The Harold B. Clifford Community Playground

The Harold B. Clifford Community Playground was a community project that began in March of 1989.

Harold B. Clifford was an author, educator and superintendent of the Boothbay schools for over 30 years.

Around 40 people gathered together at the YMCA to discuss having a community playground built. Bill Ostermann volunteered to form a playground committee. Kathy Mayotte was Treasurer and Secretary, Lynn Irish and Barbara Campbell Harvey were Co-Chairmen. They held a "Design Day" in May of 1989 at Boothbay Region Elementary School to get input from the children in grades K through 5.

Through the year they had creative fundraising events including a supper, cut-a-thon, bake sales; Brown Brothers hosted a Maurice Healy concert with the proceeds going to the playground. T-shirts and sweatshirts were sold as well to raise money. Over \$50,000.00 was raised through public donations and a matching grant.

They wanted to avoid any affiliation with the YMCA and School to make a place for all of the children to enjoy without needing membership or permission, and the community field was the perfect spot. Once the Boothbay Board of Selectmen approved the proposed location at the community field off Back River Road, things moved along quickly.

Many local contractors were involved with the groundbreaking and construction process. Steve Giles, Alden Jordan, Elbridge Giles, Eric Wood, Pat Farrin, Guy Peaslee, Neal Reny and many more community members helped out by donating time and equipment. Terry Leighton, the local surveyor donated his services on the site.

Opening Day was on September 23, 1990. Alex Burton, great grandson of Harold B. Clifford, removed the yellow ribbon and led all the children up the ramp to the play area.

As Barbara Campbell Harvey said on opening day, "In his memory we wanted a safe and happy place for our children." I think they succeeded in that task and with the new improvements it will be a safe place for many more generations of children.

In Memory Of

Patrick Allen Farrin
7/12/1950 - 5/14/2022

On May 14, 2022, the town of Boothbay lost one of its most dedicated and beloved community members, Patrick Allan Farrin. Soon after his graduation from Boothbay Region High School, Pat was drafted into the United States Army and later fought in the Vietnam War. After being discharged in June of 1971, he returned home to Boothbay where he married Robin Smith, and together, they raised their two sons, Kelly and Kipp. In the years following his discharge from the Army, Pat received two Purple Hearts, was awarded the Vietnam Service Medal, the Vietnam Campaign Medal, and the National Service Medal.

Pat spent 19 years working for the town of Boothbay in the Public Works Department, where he eventually took on the role of road foreman. Following his time working for the town, Pat began his own construction company, Pat Farrin & Sons.

His passion was the town and the great people in it. He took an immense amount of pride in helping people in need and using his talents to get things done. Pat donated countless hours on community projects, initiating the “Light It Up” campaign in an effort to bring lights to the high school football field, development of the Harold Clifford Playground, and Rebuilding Together projects. His efforts did not go unnoticed and were recognized by the Rotary Club in the form of a Lifetime Achievement Award.

Pat’s legacy lives on in those who show similar acts of kindness, generosity, and a true love for their community.

This past year the Clifford Park playground was completed and enjoyed by children both from the region as well as other localities. I personally drove by many times just to see the smiles and watch them run around. This year, the hope is with the addition of the beautiful new baseball field that a local little league team will come back to town for good, as they have had to play in other areas for the last few years.

The municipal projects that will hopefully take off starting this year are workforce housing and closing the gap on broadband. In regard to broadband, the town is considered well served, with approximately ninety one percent coverage, however, the need for the nine percent left is an imperative task.

Inflation has hit the nation and municipality hard, and I would like to thank the Community Resource Council for joining with Boothbay to open the Community Fridge, which is housed behind the town office. It has been well used since its doors opened and has bridged some of the gap for local families. This is a great asset to the community, so if you are in need please use it; if you have the ability please donate.

As always, I would like to thank all of the town staff, fire fighters, volunteers, boards and committees as well; they are committed to keeping our town well run and efficient.

Business Office Report

The Town Clerk is in charge of maintaining the town's vital records. The office of the clerk runs all State and municipal elections. We license dogs, issue birth and death certificates, and marriage licenses. The business office also collects all tax payments, mooring and permit fees and registers vehicles.

Certified copies of Vitals (births, deaths, marriages) must be applied for with proof of ID. Applications can be found on our website www.townofboothbay.org. Please allow a 24-hour turnaround. Fees are \$15.00 for the first one and \$6.00 for each additional one done at the same time.

There were **15 births** recorded in Boothbay for 2022; 7 females and 8 males born to Boothbay residents. Congratulations to all the families with new babies.

There were **56 deaths** recorded for 2022. There were 26 females and 30 males. The youngest was under 1 year, and the oldest was 99 years old.

We issued **19 marriage licenses** during 2022, **34 marriages** took place in Boothbay. There were 10 Boothbay resident couples, and 29 non-resident couples. The happy couples came from Canada, California, South Africa, Tennessee, Utah and Vermont to get married in our beautiful town.

To apply for a marriage license you will need to make an appointment for both of you to come in to our office together with picture identifications. Allow an hour for the process. If married before, you must show *original* divorce papers or a spousal death certificate. You will complete a marriage intentions form, and sign it in the presence of the clerk or deputy. The fee is \$40.00.

Boothbay residents licensed a total of **274 dogs** during calendar year 2022. Dog license fees remain at \$11 per dog, or \$6 for spayed/neutered dogs. When licensing at our office, please bring in a current rabies certificate. A spaying or neutering certificate will be required if it is a first time license. If you would prefer to do it online, please see the website below. For any animal control issues you need to contact Lincoln County Communications.

Since June 2022 we have issued a total of **23 commercial shellfish licenses**, and **49 recreational licenses**. Our shellfish warden is Nicholas Upham. The Town of Boothbay Harbor is the host town for the Shellfish Ordinance once again.

For vehicle renewals, please bring your old registration, current *accurate* mileage and proof of insurance. If you would prefer to do it online, please see the website below. **First time registrations** require additional paperwork and cannot be done after 4:00 pm, or online. All vehicles 1995 or newer require a title.

For **tax payments**, please bring in the stub from your tax bill. Tax bills go out in July, with the first ½ due in August and the second ½ due in February. We *do not* send a second notice.

For MOSES transactions, please bring in last year's registration or the "ME" number from your **boat, ATV or snowmobile** or last year's license or MOSES number for **Hunting or Fishing licenses**.

Online services you may access are:

www.maine.gov/online/bmv/rapid-renewal to renew a vehicle or trailer or to request a reminder notice.

www.maine.gov/online/sporting for hunting/fishing licenses and boat, snowmobile & ATV re-registrations.

www.maine.gov/online/dog_license to register your dog.

During 2022 we had the following **meetings and elections**:

May 2, 2022 Annual Town Meeting

June 14, 2022 Primary Election

November 8, 2022 General/Referendum Election

November 8, 2022 Special Town Meeting

2022 was my fifth year working for the Town of Boothbay. It amazes me how quickly the years pass by.

We had four elections in 2022; in November we doubled up with the State Referendum Election and a Special Town Meeting regarding fluoride in the town drinking water. Our Public Works crew once again did an amazing job setting up the meeting room for the elections and they quickly get everything back where it belongs the day after like magic! We have some wonderful election workers that we rely on every year and I want to thank them for all of their help. We appreciate you! Thank you Sally, Tracey, our Town Manager and our Selectmen for all of your support through the years and for all you do. Most of all I need to thank our residents and non-residents for their smiles and laughter that make our days brighter and their patience when things don't go as smoothly as planned. I hope you all have a happy and healthy 2023!

Andrea D. Lowery,
Town Clerk

The Code Enforcement Officer had another busy year in 2022 working with the property owners of Boothbay with permit applications and zoning questions. Fundamentally, in all aspects of the development process, the goals of the Code Office are to support the public. We reinforce an open door policy, and, for this reason, we encourage questions and comments.

The following permit summary shows a slight decrease in the amount of permits, compared to 2021.

Public Works

Anthony (Tony) Goode, Samuel Barter, Andy Wooster, Roman Petersen and Road Foreman Michael S. Alley

We ended winter 21 - 22 as it began; low key. Normal spring duties were completed with the addition of some sizable repairs to the Murray Hill pier and early season paving. Spofford Lane, Kimballtown Road, Sheepscot Shores Road, Greenleaf Road and Oak Hill Road were all paved and shoulders done during this phase.

We moved from there to the north end of Pension Ridge Road and Hardwick Roads, where drainage was improved by redoing ditches and changing culverts. Following that, a section of Pension Ridge Road was reclaimed, graded and compacted. The paving and shoulder work on this project was completed in the fall. Switching to winter prep proved to be a little premature, as good weather stayed with us through the first of the year, allowing us to continue road work later than usual.

During this period, we replaced a well-served 2013 Dodge 5500 plow truck with a 2023 Dodge 5500, similarly equipped. As with our last purchase, color was not an option, so we will now be seeing two white Public Works trucks.

None of this would be possible without the continued support and understanding of the Selectmen, the Town Manager, my hard working crew and the residents and visitors of our community.

Respectfully,
Mike Alley,
Public Works Foreman/Director

Sewer District Report

I am pleased to offer this report on behalf of the Boothbay Harbor Sewer District. 2022 was a year filled with unprecedented levels of inflation, continued supply chain challenges, plenty of economic uncertainty, and difficult legislation from Augusta. The district worked incredibly hard during these times to ensure the continued proper conveyance and treatment of wastewater and continued to practice fiscal responsibility.

2022 was another transitional year for the Board of Trustees. Trustee Jay Warren, Board Clerk, resigned, vacating his seat. Russell Hoffman was appointed to fill the remainder of Warren's term. Adam Macy joined the District in October as the new Utility Tech. Adam brings a strong skill set to the district and is adapting extremely well.

The district continues to plan improvements in your treatment and collection systems. As in the past, the next several years will continue to be busy. The district is in year eight of its capital improvement plan. The planned improvements will include planning/funding for the evaluation of the treatment plant, evaluation of the existing rate structure/equity buy in fees, and impact fees, and two more pump station panel upgrades. This year's major improvements to your system and other accomplishments included the following:

- Installation of new upgraded pump station control panels and telemetry for PS 02 and PS 16.
- Installation of new electrical from the control panels to the wet well at PS 13.
- Installation of new pumps at PS 09, PS 13, and PS 15.
- Completed the Phase A rehabilitation of the westside manholes.
- The district started the complex sea wall project and received a \$4.015 million dollar grant from the MEDOT and a \$200,000 grant from Lincoln County to pay for engineering.

Polyfluoroalkyl substances (PFAS), also known as "forever chemicals" will be a major issue for the district going forward. These chemicals are found in everyday items that have non-stick and stain repellent characteristics, such as waterproof clothing, non-stick pans, and food packaging. While the District does not use or create any of these chemicals, we are forced to deal with them in our biosolids after treating wastewater. PFAS chemicals do not go away once they enter the environment. They move through soil and water without degrading. Due to these characteristics, they easily find their way into the sewer, and we are stuck dealing with them. New legislation (LD 1911) is making it harder and much more expensive to dispose of our biosolids. This is currently at the forefront of Maine lawmakers and wastewater districts around the State are paying close attention to what will become of this.

The District Trustees continue to lead the district through their strong work ethic, strong leadership style, and fiscal responsibility. Because of this leadership, the financial position of the district remains strong. The Board continues to research opportunities for increased efficiencies and cost cutting. This past year the District Trustees reached out to the Boothbay Region Water District Trustees to discuss the possible consolidation of the two districts and create a single combined utility district. The two boards met for discussion and the water district trustees later voted not to pursue further consolidation discussions at this time. The sewer district trustees are hopeful discussions will resume in the future.

I would like to recognize the resilience of our employees and their dedication to serving the residents of the Boothbay region during these tough times. The district would not have been as successful as we were during these times without the support of the Board of Trustees, and the cooperation of the community. The district looks forward to continuing to serve the residents of the region as faithfully as possible, throughout whatever conditions the world may be in. In addition, the district continues its commitment to protecting the region's greatest resource, Boothbay Harbor, for all to enjoy.

Respectfully submitted,
Chris Higgins,
Superintendent

Lincoln County Sheriff

Greetings,

In November of 2022, the citizens of Lincoln County elected me to my sixth term as your County Sheriff. The support that the Sheriff's Office in Lincoln County receives from the citizens that elect me each term is truly humbling. It is because of this support that I am constantly trying to find ways to improve the service we provide at a cost we all can afford while providing the transparency that you all deserve.

I am pleased to announce that in 2022 a citizen's advisory committee that has been a goal of mine was finally put in place and has begun its work of providing the Sheriff's Office a wide range of perspectives and opinions on the work we do. This diverse group of citizens from all over Lincoln County is currently assisting me with policy review and our ongoing process of accreditation thru the Maine Law Enforcement Accreditation Program sponsored by the Maine Chiefs of Police Association. If you are interested in serving on this committee or learning more about just what they are doing, please reach out to me at any time.

In 2022, we began to formally track the number of mental health related calls for service. The Sheriff's Office works closely with the National Alliance on Mental Illness and we strive to enhance relationships with other community mental health providers to find ways to relieve some of the reliance on law enforcement responding to those having a mental health crisis.

In 2022, this data revealed 177 calls for service that averaged 43 minutes each time. 48 percent of the time, Deputies were able to stabilize the situation based on their own training or with the assistance of community based crisis services. Over 70 percent of these calls were investigated by Deputies with specialized crisis intervention training. Less than 3 percent of these calls resulted in injury to either the Deputy or the person in crisis. The ability to de-escalate situations and reduce the risk of injury to all involved is why I am committed to having all my staff trained in Crisis Intervention.

This data did show that almost 55 percent of these calls involved individuals who had previously been involved with a mental health call. Surprisingly, over 10 percent of the time these calls involved individuals that we had responded to assist 10 or more times.

Because of this data, I am committed in 2023 to finding more opportunities to "co-respond" with community mental health providers in hopes of putting in place services to reduce the amount of mental health calls involving the same individual.

More detailed data on both our mental health calls for service and our use of force can be found on our website www.lincolnso.me.

Once again, thank you for the opportunity to serve as your Sheriff. Please reach out to me at any time if I can be of assistance to you.

Todd B. Brackett,
Sheriff

Boothbay Fire Department

To the Board of Selectmen, Town Manager, and Citizens of the Town of Boothbay. I hereby submit the 2022 Boothbay Fire Department annual report for January 1, 2022 through December 31, 2022. The Fire Department responded to 176 calls this year which are summarized on the following page.

We received one grant this year one from the Mildred McEvoy Foundation to update some of our forestry equipment.

We are hoping to receive our new engine truck in the spring of 2023. This will replace our engine 4 truck that was approved by the selectman in 2021 and awarded to Metal-Fab of Island Falls, Maine. We will change the number from engine 4 to engine 2. This new truck will serve the town for many years to come.

The Boothbay Region Miss Fires has reorganized and changed the name to the Boothbay Region Auxiliary. They are a great resource for the entire region and we appreciate all that they do.

I would like to thank the Officers and Firemen for all that they do and their quick responses to calls.

Sincerely,
Richard Spofford,
Boothbay Fire Chief

Boothbay Fire Department - Open House October 11, 2022

It was nice to get back to old traditions! The Firemen and Girl Scouts served food, the fire trucks were on display and the station was open to visitors. Everyone had a lot of fun!

So many happy faces!

“On the water” turned out to be a very popular place to be in 2022. Boating life seems to be returning to normal levels.

The On-Line Mooring Data Base continues to be a great asset for the Town. The system has been updated by the provider and it is even more user-friendly. We are now in the eighth year with the On-Line system and it only gets better. I would like to thank all the mooring owners that pay on-line. When paying your mooring fees, please update your inspection information and email. Remember: mooring fees are due AUGUST 15th every year. If you have email, I will send a reminder, but either way it is the mooring owner’s responsibility. The date doesn’t change. No exceptions.

The identification of work floats and their owners will continue to be a major focal point in 2023. If you have a work float, please make sure you have the required Army Corps of Engineers permit and that your mooring number is on your float and mooring. Please reduce the risk to other boaters by maintaining your work floats. Make sure the floats are secured properly. Old gear that is no longer serviceable should be disposed of properly, not left to be washed off the work float in a storm.

Phone calls and e-mails were typical in nature. Skiffs, dinghies and kayaks missing or adrift top the list. I have stickers at the Town Office for identifying your small craft from the Coast Guard Auxiliary. They have room for your name and contact information. Please come by and pick one up. Several calls were received about vessels tying up too long to the docks at Shipbuilder’s Park and Knickerbocker Bridge Launch Area or gear left for over forty-eight hours. Owners were contacted. I also conducted several wharf and weir hearings for the town. There are currently 961 registered moorings in the Town of Boothbay:

Location	Total
Barter’s Island	133
Sawyer’s and Hodgdon Islands	96
Card Cove, Grimes Cove-Ocean Point	78
Cross River and Rocky Point	49
Damariscotta River	219
Linekin Bay	280
Little River	101
Outer Islands	15

The Port Committee meets on the first Thursday of the month as needed at the Town Office. I would like to thank Chuck Fuller, Larry Knapp, Win Russell, Rusty Court and Barry Gibson for always being available. No meetings in 2022. I am planning some for fall of 2023.

The Town of Boothbay has two Deputy Harbor Masters. The west is covered by Bradley Simmons: Linekin Bay, Ocean Point, Grimes Cove, Little River, Damariscotta River and the Outer Islands. The east is covered by Michael Leighton: Barter’s Island, Cross River, Rocky Point, Sawyer’s Island and Hodgdon Island. I would like to thank them both for all their time and efforts.

Respectfully submitted,

Boothbay Region Ambulance Service (BRAS)

We have had some exciting changes here at B.R.A.S. that we would like to share with you.

After a long and detailed process of finding the right candidate, we have hired Dan Gardner as our new EMS Chief. Dan began his career in 1989 in Rhode Island and brings 33 years of experience to the Boothbay Region. He has held multiple leadership positions throughout his career in EMS. Dan has also had the distinct honor of receiving the EMS Medal of Valor. Over the course of time, he settled in Texas where he was the Director of Operations of the third largest ambulance service in the state. Dan's responsibilities consisted of running the daily operations of 111 ambulances, and 513 EMS personnel. This included overseeing all of the internal office departments. Due to the surrounding areas of the community he lived in having violent crimes rates rapidly increasing, Dan began to look for a change. His ultimate goal was to return to the east coast to be closer to his family. Dan has settled right in here at B.R.A.S. and is very happy to be with us. Dan and his fiancé are loving our beautiful towns and have enjoyed meeting the great people that make up our community.

We have taken delivery of three Lucas CPR Devices which we were able to fund partially through a grant from the McEvoy Foundation. These devices provide hands free mechanical CPR to a patient who is in cardiac arrest. The Lucas Device has a very high success rate of regaining cardiac function and survival rates. With providing hands free mechanical CPR, this allows the EMS crews to perform other life saving procedures in a more effective manner. Each main line ambulance will carry a Lucas Device with one in reserve. We are excited to put these in service to better help our citizens during a life-threatening event.

All EMS agencies in Maine continue to compete for staffing due to a statewide shortage of certified personnel. B.R.A.S. continues our attempt to stay competitive during these times by having competitive salaries and benefit packages. This issue has generated tough financial situations on most agencies including B.R.A.S. Through salary increases, low to no cost benefits, we are happy to share that our retention rate has increased. We have worked hard to provide a stellar working environment along with comparable wages to keep the great staff that we have. Along with retention, we would like to add to our full/part time staffing to keep up with the ever increasing need for emergency care.

B.R.A.S. is paving the way to set up a dedicated transfer ambulance that will provide non-emergency medical transports. Having a dedicated transfer ambulance provides for higher revenue, and allows the 911 ambulances to remain in the community and service the towns. Our top priority is 911 emergency services for our citizens and visitors to the region. Having a transfer ambulance on duty will also provide us with a third 911 ambulance if the crew is not conducting a transfer at that time. This model is a tremendous benefit fiscally and logistically.

Following our dedication to community involvement, B.R.A.S. has just begun a community CPR class program. The program is starting with hosting classes for our local non-profit groups, and then will expand into being open for our citizens. The classes are being held at the B.R.A.S. station, and we are currently working on getting a schedule up on our website.

Our annual Capital Campaign has been launched. Mailings have gone out to the residents seeking donations for the purchase of equipment and a new ambulance. Paul and Giselaïne Coulombe of Southport have jump-started this year's campaign with a generous matching donation up to \$175,000 toward our goal of \$350,000! We have also added ways to donate electronically through our website. This has been utilized quite a bit since its inception. B.R.A.S. is also in the process of finalizing a gift acceptance policy that will allow citizens to donate stock to us.

Our 911 call volume has increased along with the requests for non-emergency transfers. Due to the ongoing COVID cases, RSV cases in children, and a high rate of influenza, there is a shortage of beds at different hospitals. This census changes daily which is causing the hospitals to move their patients to some of their other campuses. A major part of this struggle is the logistical aspect of having enough transportation for these patients without becoming taxing on the local 911 systems. B.R.A.S. has done their part to assist with this ongoing issue, but we remain steadfastly focused on keeping 911 ambulance coverage for the region.

2022 at Boothbay Harbor Memorial Library also felt...normal! We still did virtual programs, but most events were offered in-person, which is how we like it! In January, we relaunched after school programs, adding two new options for students: a “Girls Who Code” club and a STEM club. After school clubs were established to coincide with early release days, making Wednesday afternoons a lively time here.

In February, the Korean Spirit and Culture Promotion Project Zoomed in to lead **2 Lotus Lantern workshops**. Participants viewed at partner locations (Oak Point Farm, or the YMCA) or they Zoomed in from home to build a lantern from the kit provided. **Fifty-seven community members participated**. In April, we offered another cultural art program: a community member volunteered and led 2 maxed-out workshops on the gorgeous art of **Ukrainian Egg Painting**.

Earth Day Fest was co-sponsored by 11 community organizations who created a smorgasbord of hands-on activities and information for 175 attendees on the library lawn. Co-sponsors included: Bigelow Lab, Boothbay Region Clean Drinking Water Initiative, Land Trust, Sea & Science Center, Botanical Gardens, Food Security Community Connection, Knox-Lincoln Soil & Water Conservation District, Lincoln County Gleaners, Merrymeeting Audubon, Morris Farm, and SNAP-Ed. Our partnership with the Lincoln County Gleaners to fight food insecurity continued with a weekly “Share Table.”

One hundred and fifty children and families attended the summer reading kickoff during Windjammer for Wee Mateys. During the summer, **119 summer reading passports** were issued, and from that: 158 summer reading book reviews were completed; 740 activity challenges were completed; 316 library summer visits were made, and **1,040 hours were spent reading!** Prizes and incentives for summer reading are donated; our literacy champions include: Seaside Lodge #144, Downeast Ice Cream Factory, Orne's Candy Store, Coastal Maine Popcorn, Mister Smooth, Downeast Candies, and Dolphin Mini Golf.

Throughout the year the Technology Coordinator, Bethany Schmidt, offered **digital skills training** on a variety of topics including: A Beginner Guide to Online Security, Email for Beginners, and Smartphone Photography. One-on-One Tech Help remained popular, with **77 community members** signing up for a session. In all, BHML offered **55 adult programs**, including an exhibition of the Boothbay Region Maritime Foundation photography. Between book groups, storytimes, workshops, puppet shows, and author talks, **251 free public programs were offered and attended by 3,060 people!**

In addition to programs, core library services still grow: **Book circulation increased to 27,509** (from 23,777 in 2021, and 13,101 in 2020.) **4,044 wireless sessions** were logged, **public computer stations were utilized 302 times**, and over **33,000 people walked through the library doors**. BHML is supported by 16 dedicated volunteers, who provide over 2,400 volunteer hours. In December, we said farewell and cheers to Harolyn Hylton, who in her five years at BHML served in the most roles: Children's Librarian, Public Services Librarian, and Assistant Director. Always upbeat and on point, she was a critical component to our work here and will be sorely missed! Lookout for new faces at the Library in 2023...

Boothbay Harbor Region Chamber of Commerce

Outgoing Board President Doug Goldhirsch. The 2021-2022 Board included Jason Denby, Julie Roberts, Alyssa Allen, Michaela Bitterman, Charlie Bamberg, Joanna Breen, Tricia Campbell, Angelo DiGiulian, Clint Miller, and Jaymes Shive. Julie Roberts will serve as the new Board president, Alyssa Allen, as the new vice president, Jason Denby, as the new secretary, and Jaymes Shive as the new treasurer. We welcomed new Board members Abby Fessenden, Angela “Gigi” Frost, and Sarah Winchenbach.

Cindy Mastrella is serving as member services coordinator; Ilene Vactor, guest services coordinator; Kjirsten Flores as Marketing Coordinator. Lisa Walby changed roles and became the Chamber’s Administrative Director in November. The Chamber also benefits from many generous volunteers.

2022 brought the return of so many beloved summertime chamber events: The Claw Down Lobster Bite Competition, and Fishin’ for Fashion Show, which were both held at The Shipyard in Boothbay Harbor. The popular Windjammer Street Parade helped to usher in the 60th Annual Windjammer Days festival.

The “ding-ding” of the Trolley bell could be heard all over town, as it brought guests and locals around to various businesses. The Chamber continued in its efforts to maintain the ‘vintage’ vehicle, as well as secure qualified drivers. The Trolley will continue to be a major focus of the Chamber of Commerce in the coming year.

First Friday Art Tours were held from June - October, featuring local galleries, and Business After-Hours continued to be great gatherings where our local business community could mingle and network. We welcomed new businesses throughout the season, and gathered to celebrate our Annual Dinner & Awards Ceremony in October at the Boothbay Region Village Museum.

With the change of the seasons, Boothbay Lights was front and center as we shifted into holiday mode! The purchase of 2,000 extra wooden pot buoys for the Giant Pot Buoy tree helped to highlight the importance of our marine heritage, as well as become a beautiful draw to the downtown. (Our Pot Buoy Tree Selfie Contest had its best year yet!) In partnership with the Coastal Maine Botanical Gardens, we offered a Free Saturday Shuttle from the Boothbay Harbor Town Office (Thank you!) to Gardens Aglow; a service that was greatly appreciated by both visitors and local businesses.

Our social media pages were maintained with the latest member news & events, including weather updates! Things took a turn on our first big Saturday in December, we were able to pivot, *thanks to the flexibility of many*, so the arrival of Santa & Mrs. Claus (+ meet and greet), as well as the Lighted Boat Parade, could take place without a hitch. What a beautiful Sunday that turned out to be!

The Chamber continued to send out weekly member newsletters, update a community calendar on the website and gained 1,000+ monthly newsletter subscribers, bringing the current total to 8,000. We continued to field thousands of requests for our Region Guide that are mailed all over the country, and of course answer the innumerable phone calls for information about our beautiful area.

We are grateful for the support of our local businesses, organizations, teachers, individuals, and Town Officials.

Respectfully submitted,
Your BHRCC team

Emergency Management

Boothbay Region Emergency Management (BREM) falls under the umbrella of Lincoln County Emergency Management (LCEM) who in turn falls under Maine Emergency Management Agency (MEMA).

LCEM oversees the coordination of resources for the entire County. This includes emergency shelters, resource management, specialized equipment and teams. Those being Hazardous Materials - Search and Rescue - and Amateur Radio Operators. You can find them at www.lincolncountyma.net.

MEMA is the State Agency that oversees the coordination among all the counties. It also oversees the state-to-state movement of resources during natural and man-made emergencies. They are the agency that advocates for and receives federal monies to support the work of emergency management across the state of Maine. You can find them at www.maine.gov.

This year, with the help of Kathleen Pearce, Boothbay Harbor's finance officer, we applied for and received a federal grant. The funds have been used to install an exhaust recovery system in the Fire Station. This system takes carcinogenic diesel exhaust particles and exhausts them to the outside. This will make for a healthier work environment for our firefighters, police, and administrative staff. It will also make for a healthier environment for the hundreds of citizens who attend meetings and conduct personal business with the town.

We have just applied for the same grant to upgrade Boothbay's fire station with the same system, fingers crossed!

David W. Cody,
Boothbay Region Emergency Manager

Boothbay Region Historical Society

We are very grateful to the town for their support in 2022. Your contribution supports us in all our efforts to promote and preserve the history of the region.

In education: We returned to the Boothbay Region Elementary School this fall with our free Boothbay History education program for the two third grade classes, with hands-on projects and items from our collections for the students to see and touch. We worked with Boothbay Region High School STEAM students again this year on history projects which were displayed at the high school this spring. We are continuing to fund a yearly \$1,000 college scholarship for a Boothbay Region High School graduate. Working with the high school, our criteria are academic excellence and financial need.

In research: We answered nearly 2,000 research requests this year for information on Boothbay history, Boothbay family genealogies, Boothbay property histories, Boothbay vessels, Boothbay region businesses, and more. Research requests come to us from all over the country, via email, phone, and in person.

In collections preservation and access: With the support of an army of volunteers, our digitization project is underway, which will protect and preserve our archives and eventually make our collections available to researchers worldwide.

In general operations: We continue to keep our museum open year-round free of charge, and to offer our summer speaker series free of charge to the public. We continue to provide news items and articles on local history to the townspeople and others through the Boothbay Register. Our activities are made possible by many active volunteers who donate hours of their time preparing exhibits, organizing public events, on computer data entry, checking the order of photos and documents, manning the building, making repairs, helping with property clean up, helping with mailings, and documenting new collections and artifacts. We are scheduling much needed building repairs for the spring. We continue to receive important donations to our collections.

Our income sources this year were: donations by individuals, local businesses, and the towns; multiple fundraisers run by our volunteers, membership dues; and sales of books, maps, papers, and photographs.

We are grateful to the people of this town for their contributions to the preservation of local history.

Thank you for your continued support. Without your help, we would not continue to have such a high recycling rate. Recycling helps to keep costs down.

The biggest increase within our budget this year is fuel. Our trucks and equipment use approximately 30,000 gallons of fuel yearly. With fuel doubling in cost, it equates to a \$100k dollar increase to our budget.

We will always look for ways to better serve you!

The Board of Directors meet monthly on the second Thursday of every month at 5:00 PM, you are always welcome to attend.

Boothbay Region Water District

2022 was somewhat of a breakout year for the Boothbay Region Water District (i.e., *the district*), with the COVID-19 hysteria finally falling away allowing “normal” operations of the water district to return. With this district’s efforts and accomplishments for the year were excellent.

During 2022 the district met all state and federal requirements regarding the treatment and delivery of the region’s water supply. Equally the district was able to meet its capital maintenance goals, improving overall district operations. Capital improvement projects, efforts and accomplishments were as follows:

- Performed superior system maintenance resulting in “unaccounted for” water loss rate 9.2%, among the best in Maine.
- Upgraded its service fleet with the purchase of a new service vehicle.
- Completed the *Knickerbocker Road Seasonal Water Main Looping Project* adding 1,500 feet of seasonal water main and creating a critical loop for the Barters Island water feed.
- Acquired one land parcel, equaling 27-acres of watershed protection lands.
- Completed the overhaul of both Trident Filter Units.
- Spent a good part of the year applying for grant funding for several projects that are in-process.
- Completed five small seasonal water main extensions equaling 1,500 feet of new water main; and
- Added 36 new customers.

In May, the voters of Boothbay elected trustee Holly Stover who replaced Alan Bellows who retired from the board. Boothbay Harbor re-elected Merritt Blakeslee for his second-term and in March. Southport re-elected Chairman, Gerald “Gerry” Gamage for his fourth term. The remaining board members included Vice-Chairman, Smith Climo (Southport) Clerk, Kevin Anthony (Boothbay), Treasurer Nell Tharpe (At-Large) and Trustee David Tibbetts (Boothbay Harbor).

Looking ahead to 2023, efforts include:

- Complete the funding application, design and bid the Filter *Wastewater Recycling Project* which will allow the district to remove between 17MG and 20MG from its waste stream and recycle that water into drinking water., thereby lessening the cost of filter waste disposal sewerage costs and lessen the amount of water needed to be extracted.
- Complete the \$4.4 million *Rt 96 Looping Project*, a project designed to connect East Boothbay to Boothbay Harbor, greatly enhancing fire flow to all towns, with 60% of the cost of the project already secured as grants.
- Complete an 11,000-foot-high density polyethylene (HDPE) water main installation along East Side Road on Barters Island to improve water pressure.
- Continue Securing high-density polyethylene (HDPE) tooling and establish a state training HDPE training center.
- Go all out in applying for available grant funding in this unprecedented era of incredible federal funding opportunities.
- Continued emphasis on leak detection, equipment maintenance and unequalled performance (i.e., Value to rate-payers).

The Boothbay Region Water District, Board of Trustees meet the 2nd & 4th Tuesday of every month at 6:00 p.m. during Daylight Saving Time and 7:00 p.m. during standard time at the district administrative office located at 184 Adams Pond Road, Boothbay Maine. The board of trustees values the public’s opinion and encourages the public to attend. For further information concerning projects, minutes and other pertinent information concerning the operation of the district, the public is invited to access the district’s web page at www.bbrwd.org.

Respectfully Submitted,
Jonathan E. Ziegra,
General Manager

Governor

Dear Friends:

For four years it has been my privilege to guide our great state, working with the Legislature to keep Maine people safe and put our economy on a path to recovery.

Since the arrival of the COVID-19 vaccines in December 2020, we have worked hard to get as many shots into the arms of Maine people as quickly as possible. Since the COVID-19 vaccine became available, more than a million Maine people have gotten fully vaccinated from COVID-19. It is thanks to them that our state has one of highest vaccination rates and one of the lowest death rates from COVID-19, despite having a much older population than other states. People are coming to Maine because we are one of the safest states in the nation.

Following the recommendations of the Economic Recovery Committee, our economy has not only fully recovered, but has surpassed pre-pandemic projections and unemployment claims have dropped to pre-pandemic levels. And, last year, I was pleased to sign a balanced, bipartisan budget that finally achieves the State's commitment to 55 percent education funding, fully restores revenue sharing, and expands property tax relief for Maine residents.

Maine can be proud of our nation-leading progress, but our work is far from done. Through the Maine Jobs & Recovery Plan, we will continue to address our longstanding workforce shortage, the expansion of broadband, education and job training opportunities, housing, child care, and transportation. Drawing on the hard work and resilience of Maine people, together we will rebuild our economy and rise from this unprecedented challenge a state that is stronger than ever.

In 2022, we focused on our economy, on our climate, on our kids, on keeping people safe and on the health and welfare of all Maine people. We have persevered, and, while challenges remain, we will get through them together. I am proud of the people of Maine, and I am proud to be your Governor.

Thank you,
Janet T. Mills,
Governor

State Senator

Dear Friends and Residents of Boothbay,

Thank you for the opportunity to serve as your State Senator. I'm proud to represent our communities in Augusta, and I will work hard to represent us well. I am also happy that lawmakers and the public will return, in person, to the State House.

For the 131st Legislature, Swearing-In Day was Wednesday, December 7, 2022. I'm excited to share that I will serve as Chair of the Joint Standing Committee on Marine Resources. I also have been appointed to serve on the Health Coverage, Insurance, and Financial Services Committee.

This district means a lot to me. This is where I grew up and where I have chosen to raise my own family. I have spent my career as an educator, community advocate, and leader of professional associations working at local, school, district, and state-wide levels to solve problems, support equitable policies, and advocate for children and families. I look forward to putting these skills to work for you.

Please remember that I am a resource for you all year. If you need help contacting a state agency or just want to share a comment or concern, please don't hesitate to reach out. You can email me at *Cameron.Reny@legislature.maine.gov* or call my legislative office at (207) 287-1515. My cell phone number is (207) 400-9910. Life has never been easy, but it seems harder than usual right now. Please don't be afraid to ask for help. After all, I'm here to serve you.

Sincerely,
Cameron Reny
State Senator, District 13

State Representative

Dear Neighbors:

It continues to be an honor to serve you in the Maine House of Representatives and I am proud to be your advocate in Augusta.

As I write this, we are in the third month of the 131st Legislature. We have a lot of work to do between now and the end of June, from addressing the rising cost of living and the threat of climate change to improving access to affordable housing and health care. We are in the thick of conversations, committee hearings and work sessions, gathering feedback from people across the state regarding issues that matter to them, including many of you.

Our most significant priority will be the creation of a balanced two-year state budget, which will play a critical role in shaping the direction of our state in the near future. I am pushing to ensure the budget works to improve the lives of all Mainers, including our most vulnerable and historically marginalized neighbors. Some of my other top goals for the budget include improving access to health care for children and sexual assault survivors.

It is my distinguished honor to have been appointed by Speaker of the House Rachel Talbot Ross to serve as the House chair of the Joint Standing Committee on State and Local Government. This committee has jurisdiction over many components of State government and oversight including the administrative procedures; Legislature, municipal and local government; county and regional government; state contracts and fiscal procedures and public services.

Additionally, I am honored to have been named to the newly created Joint Select Committee on Housing to address Maine's housing crisis. Here we will work to address short-term and longer-term housing issues that are impacting Maine people. Housing is a barrier to our economic and workforce development, and I am pleased to have been appointed to this newly formed Committee where I can represent the specific concerns I have heard from people in our community about the housing challenges we face.

Please feel free to contact me if I can ever be of assistance to you or your family, or if you would like to discuss or testify on any upcoming legislation. My email is Holly.Stover@legislature.maine.gov, and my phone number is (207) 633-5979. I also send out monthly email newsletters that provide insight into our work at the State House, offer helpful information and resources and aim to connect you with your state government. Please let me know if you would like to receive them.

I am so thankful that you have again entrusted me with this great responsibility, and I look forward to connecting with you over the next two years.

Sincerely,
Holly Stover
State Representative

U.S. Senator

Dear Friends,

I've often thought that Maine is just one big small town connected by long roads. Well, in the past year or two, those roads have gotten steeper and bumpier as we dealt with an unprecedented pandemic and the resulting economic troubles.

As we faced the historic challenges, something impressive happened. We came together and lent a hand to our neighbors wherever we could to keep things running and spirits high.

Down in Washington, Congress tried to help Maine communities get through this struggle, so that our state would come out stronger. To do that, we put in the work and set some things into motion that are already helping Maine people. That's why you hired us, after all.

The pandemic made something we'd known for a while clear: those roads and networks that connect our big town needed repair, improvements, and expansion – from bridges to broadband. So, while Maine was uniting towards a common purpose, Congress came together to pass the *Bipartisan Infrastructure Law* – legislation that makes generational investments in physical infrastructure, broadband connections, harbors, and the energy grid. These efforts will lay the foundation for Maine's 21st century economy and make sure even the most rural areas aren't left behind.

Over the last two years, as we drove up and down our state, you couldn't help but see storefronts in trouble and prices rising as the economy struggled through a global recession. And again, while you focused your efforts on getting through the difficult times, Congress took meaningful action. We passed the *American Rescue Plan* in 2021, which enabled Governor Mills and the state of Maine to better meet the health and economic difficulties of the pandemic. At a critical moment it expanded healthcare efforts to confront COVID and invested in the state to keep the economy in far better shape than most others nationwide.

Congress didn't stop there. This year, we took even more concrete steps to cut costs, create jobs, and provide more affordable, cleaner energy. The bipartisan *CHIPS Act* will bring home the manufacturing of the technical components known as "chips" that are used in everything these days – from smartphones to microwaves to cars – and in doing so reduce prices and create good American jobs. We also passed the *Inflation Reduction Act (IRA)* to lower healthcare costs, allow Medicare to negotiate drug prices, and cut energy bills with new rebates for things like heat pumps and solar panels.

Beyond these major investments, we also passed vital legislation to improve the day-to-day lives of Maine people and Americans nationwide. On a bipartisan basis, we expanded health care for veterans exposed to toxins, strengthened protections for marriage equality, supported Ukraine as it fought off a bloody Russian invasion, secured our elections and the peaceful transfer of power, and delivered millions in federal investments to projects up and down our state.

So, as Maine worked to get through hard times, Congress took steps to support our state – and we’re already starting to see brighter days ahead. I’m proud to have played a small part down here; it’s a true privilege to listen to you, work with you, and build a brighter future for all the incredible people up and down the roads that connect our big small town. Mary and I wish you a happy, and safe 2023.

Best Regards,
Angus S. King, Jr.
United States Senator

U.S. Senator Washington, DC

Dear Friends:

It is an honor to represent Maine in the U.S. Senate. I am grateful for the trust that Mainers have placed in me and welcome this opportunity to share some key accomplishments for our state.

Last year, I secured more than \$500 million for 285 projects from Aroostook County to York County that will promote job creation, workforce training, and economic development; expand access to health care; improve public safety, infrastructure, and community resources; and protect our environment. To address the crisis of soaring inflation and high energy prices, I led efforts to provide \$2 billion in supplemental funds to the Low-Income Home Energy Assistance Program. In the new Congress that begins in 2023, I expect to be the Vice Chairman of the Appropriations Committee and will continue to champion investments to support Maine's communities and families.

Strengthening our economy and supporting good jobs remain a top priority. Along with the Governor and the rest of the Maine Delegation and the associations representing the lobster industry, I worked to protect our hardworking lobstermen and women by pausing for six years the onerous federal regulations that jeopardize our lobster fishery's very existence. Another ongoing threat to Maine's small businesses is the shortage of workers. That's why I led an effort to push the Administration to nearly double the number of H-2B visas that are critical to our hospitality industry. Additionally, when the Administration proposed to cut the construction of a destroyer to be built by Bath Iron Works, I restored this funding to protect Maine jobs and our national security.

When Maine Veterans' Homes announced last year that it planned to close its facilities in Caribou and Machias, I opposed that decision which would have had such a devastating effect on rural veterans and their families. I am glad that the decision was reversed, and I have secured \$3 million to help with upgrades to these facilities. My *AUTO for Vets Act* also became law, which will help disabled veterans maintain their independence by supporting the purchase of a new adaptive vehicle once a decade.

This past year, Congress demonstrated how effective it can be on behalf of the American people when both parties work together. A few of the bipartisan achievements that I was involved in include the *Respect for Marriage Act*, which will provide certainty to millions of loving couples in same-sex marriages while protecting religious liberties, and the *Electoral Count Reform Act*, which establishes clear guidelines for our system of certifying and counting electoral votes for President and Vice President.

No one works harder than the people of Maine, and I have honored that work ethic by showing up for every vote. During my Senate service, I have cast more than 8,500 consecutive votes, never having missed one. I remain committed to doing all that I can to address your community's concerns in 2023. If I may be of assistance to you in any way, I encourage you to contact one of my six state offices.

Sincerely,
Susan M. Collins,
United States Senator

U.S. Representative

Dear Friends,

I hope this letter finds you well. It is my honor and privilege to serve the people of Maine's First District in Washington, DC, and I appreciate the opportunity to share this annual update with you.

This past year, our state faced unprecedented challenges, mirroring the difficulties experienced by communities across the nation. High inflation rates, a rapidly changing climate, aging infrastructure, and increasing energy costs were among the top concerns I heard while home in the district. Keeping these in mind, I was proud to work with my colleagues in the Maine Delegation to pass historic legislation to bring federal dollars back to our communities.

One of the ways we delivered for Mainers was through the passage of the Inflation Reduction Act (IRA) in August. This law provides much-needed assistance to struggling families. With the help of the IRA, Americans will save an average of \$800 per year on health insurance and Medicare beneficiaries will have increased access to medication.

Additionally, the IRA offers billions of dollars to expand rebate programs for Americans who wish to make their homes more energy efficient. Homeowners can now receive up to a 30 percent tax incentive for the cost of home solar installations and a 30 percent incentive when investing in a heat pump. Over the next decade, these rebates will offer Mainers thousands of dollars in savings while decreasing fuel costs for winters to come.

In 2022, Congress also passed meaningful legislation to help create skilled jobs in the construction, manufacturing, and engineering sectors. The Creating Helpful Incentives to Produce Semiconductors (CHIPS) Act will allow the U.S. to advance its leadership in the development of semiconductors used in the manufacturing of computers, cell phones, cars, and numerous other technologies we rely on. By developing this industry at home, we can bolster our national security and lessen our reliance on foreign technology.

As I look toward this Congress, I am excited to work with my colleagues on both sides of the aisle to improve the lives of Maine people. It is critically important that we continue to take action to increase job growth, decrease inflation, take measures to promote our national security and invest in our health care and education systems.

Each year my office receives over 40,000 calls, letters, and emails from Mainers. I recognize the tremendous trust you place in having me represent you in Washington and by sharing your stories, thoughts, and concerns. Please rest assured, I will continue to fight for the interests of Mainers in Congress, and my staff and I will do everything we can to ensure your needs are met.

Sincerely,
Chellie Pingree,
Member of Congress

Article 34. To vote by secret ballot on the following Referendum Question:
To see if the Town will vote to approve the First Amendment to the Boothbay Commercial Omnibus Municipal Development and Tax Increment Financing District and Development Program, as recommended by the Select Board following a public hearing on February 22, 2023, all of which shall be pursuant to the following findings, terms and provisions:

WHEREAS, the Town of Boothbay (the "Town") is authorized pursuant to Chapter 206 of Title 30-A of the Maine Revised Statutes, as amended, to create and amend tax increment financing districts and development programs for such districts; and

WHEREAS, the Town held a public hearing on February 22, 2022 on the proposed First Amendment to the District and Development Program in accordance with the requirements of 30-A M.R.S.A. Section 5226, upon at least ten (10) days' prior notice published in a newspaper of general circulation within the Town; and

WHEREAS, the Town desires to adopt the First Amendment to the District and Development Program as presented to the Town Meeting this day, and as has been on file with the Town, ; and

WHEREAS, it is expected that approval of the First Amendment to the District and Development Program will be sought and obtained from the State of Maine Department of Economic and Community Development.

NOW THEREFORE, BE IT HEREBY VOTED BY THE TOWN:

Section 1. The Town hereby adopts the First Amendment to the Boothbay Commercial Omnibus Municipal Development and Tax Increment Financing District (the "District"), and adopts the First Amendment to the development program for such District (the "Development Program"); and

- Section 2. The Town hereby finds and determines the following for the First Amendment to the District and Development Program, demonstrating compliance with State statute:
- a. At least twenty-five percent (25%), by area, of the real property within the District, as hereinafter amended, is suitable for commercial uses; and
 - b. The total area of the District does not exceed two percent (2%) of the total acreage of the Town, and the total area of all existing development districts within the Town (including this District) does not exceed five percent (5%) of the total acreage of the Town; and
 - c. The original assessed value of all existing tax increment financing districts (including this District) does not exceed five percent (5%) of the total value of equalized taxable property within the Town as of April 1, 2022; and
 - d. The approval of the First Amendment to the District and Development Program will generate substantial economic benefits for the Town and its residents, including employment opportunities, broadened and improved tax base and economic stimulus, and therefore constitutes a good and valid public purpose and will contribute to the economic growth or well-being of the inhabitants of the Town or to the betterment of the health, welfare or safety of the inhabitants of the Town.
 - e. The Town has considered all evidence, if any, presented to it at the required public hearing with regard to any adverse economic effect on or substantial detriment to any existing business and has found and determined that the adoption of the First Amendment to the District and Development Program will not result in a substantial detriment to any existing business in the Town, and any adverse economic effect of the First Amendment to the District and Development Program on any existing business is outweighed by the contribution expected to be made by the projects and improvements described in the First Amendment to the District and the Development Program to the betterment of the health, welfare or safety of the inhabitants of the Town.
- Section 3. Pursuant to Chapter 206 of Title 30-A of the Maine Revised Statutes, as amended, the Town hereby designates the First Amendment to the District, described more particularly in the First Amendment to the Development Program presented to town meeting in the form attached hereto and such First Amendment to the Development Program is hereby incorporated by reference into this vote as the development program for the District.
- Section 4. Pursuant to the provisions of 30-A M.R.S.A. Section 5227, the percentage of captured assessed value to be retained in the District is established as set forth in the development program for the District.
- Section 5. The Town Manager or his duly-appointed representative, be and hereby is authorized, empowered and directed to submit the proposed First Amendment to the District, along with the respective Development Program materials, to the State of Maine Department of Economic and Community Development for review and approval pursuant to the requirements of 30-A M.R.S.A. Section 5226.
- Section 6. The Town Manager or his duly-appointed representative, be and hereby is authorized and empowered, to make such technical revisions to the First Amendment to the Development Program for the District, or to the scope, cost or description of the public improvements to be financed with the portion of tax increment revenues generated by the District and retained by the Town as described in the Development Program as the Town Manager, or his/her duly appointed representative, deems reasonably necessary or convenient in order to facilitate the process for review and approval of the District by the State of Maine Department of Economic and Community Development, or for any other reason, so long as such revisions are not inconsistent with these articles or the basic structure and intent of the Development Program.
- Section 7. The foregoing shall automatically become final and shall take full force and effect upon receipt by the Town of approval by the State of Maine Department of Economic and Community Development of the adoption of the First Amendment to the District and its Development Program, without requirement of further action by the Town, the Board of Selectmen or any other party.

Article 35.

To vote by secret ballot on the following Referendum Question:

To see if the Town will vote to authorize the issuance of general obligation bonds or notes in an amount not to exceed \$1,500,000 in order to finance the costs of design, engineering, planning and construction of sewer and water infrastructure along Country Club Road and Butler Road, and related public street improvements, with the bonds to have such dates, maturities, denominations, interest rate(s) and other details (including provisions that the bonds may be subject to call for redemption with or without premium), as the Board of Selectmen shall determine, and to appropriate the same for said purpose (see Financial Statement); such authorization to be exercised only if Article 34 authorizing the First Amendment to the Boothbay Commercial Omnibus Municipal Development and Tax Increment Financing (TIF) District and Development Program is also passed at this Town Meeting.

Note: Total estimated debt service of this bond or note issue is \$2,430,000, of which principal is \$1,500,000 and estimated interest cost at a rate of up to 4.0% over a term of up to 30 years is up to \$930,000.

Note: Tax revenues from the Boothbay Commercial Omnibus Municipal Development Tax Increment Financing (TIF) District and Development Program are anticipated to be sufficient to pay in full the debt service on these bonds.

The Board of Selectmen recommends a “yes” vote.

FINANCIAL STATEMENT – TOWN OF BOOTHBAY

Financial Statement: The following financial statement applies to the question set forth above. The issuing of bonds by the Town of Boothbay is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town of Boothbay:

Principal amount of Bonds of the Town now Outstanding and Unpaid:	<u>\$965,000</u>
Interest to be paid on Outstanding Bonds:	<u>\$299,267</u>
Total Principal and Interest to be Repaid on Bonds Outstanding:	<u>\$1,264,267</u>
Additional Principal Amount of Bonds Authorized but not yet issued:	\$0
Total principal amount of new Bonds to be issued if approved by the Voters:	\$1,500,000
Estimated of potential new interest on such additional Bonds:	\$930,000
Estimated total of Principal and Interest to be Repaid on new Bonds if approved:	\$2,430,000

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters' approval of the bonds may not be affected by any errors on the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued and the total cost of principal and interest to be paid at maturity. If the actual amount of the total debt service for the bond issues varies from the estimate, the approval by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

Daniel G. Bryer Jr., Town Treasurer

Board of Selectmen recommendation: Approval.

Article 36.

To vote by secret ballot on the following Referendum Question:

To see if the Town will vote to appropriate up to \$50,000.00 of Corona Virus Local Fiscal Recovery Funds (a/k/a American Rescue Plan Act or “ARPA” funds)received by the Town from the federal government for qualified projects, this project being an extension of municipal water and sewer along Country Club Road and Butler Road, as authorized by the Select Board; provided, however, that the Select Board shall conduct a public hearing on the proposed expenditure of such ARPA funds prior to expenditure of the same.

Board of Selectmen recommendation: Approval.

Article 37. To vote by secret ballot on the following Referendum Question:
To see if the Town will vote to authorize the Board of Selectmen to carry forward any Unexpended Account Balance funds previously approved in regard to the design and engineering costs for municipal water and sewer lines to Hardwick Road funding.
[The amount previously approved was \$50,000]
Board of Selectmen recommendation: Approval.

Article 38. To vote by secret ballot on the following Referendum Question:
To see if the Town will vote by written ballot to increase the property tax levy limit established by State law in the event that the municipal budget for Fiscal Year 2024 approved under the preceding articles will result in a tax commitment that is greater than the property tax levy limit.
Board of Selectmen recommendation: Approval.

The Registrar of Voters office will be open to correct any errors in or change a name or address on the voting list, to accept the registration of any person who became 18 years of age on the day of this Annual Town Meeting, and to accept new enrollments. A person who is not registered as a voter may not vote in any election or town meeting. You are hereby directed to publish this warrant in the Boothbay Register, at least fourteen (14) days before the holding of said meeting. Thereof fail not and have this annual town meeting warrant with your doings thereon at a time and place mentioned. Given under our hands at Boothbay, Maine, the 22nd day of February, 2023.

BOARD OF SELECTMEN

Charles Cunningham, Chairman
